

Artist Talk

Thomas Kneubühler

Friday, March 7th at 6:30pm

Carleton University Art Gallery

Keynote Address and Exhibition opening to
begin at 7:00pm
Reception to Follow

Thomas Kneubühler's work deals with the impact of hydroelectricity, issues of private property, access and control, and the social effects of computers on individual's bodies. His artwork will also be featured in the exhibition being held in conjunction with *Access/Restriction*.

In association with *Access/Restriction* – the Art History Graduate Student Society's Second Annual Conference
