St. Francis Xavier University

Integration, Enlargement and Globalization: Linking Global Civil Society to Environmental Movements in an Enlarged European Union

Lars K. Hallstrom, PhD. is the Canada Research Chair in Public Policy and Governance and Associate Professor of Political Science at St. Francis Xavier University in Antigonish, Nova Scotia. His research is focused upon the intersection of political participation, scientific knowledge and expertise, and public policy. More specifically, he is concerned with the democratic and emancipatory opportunities presented by the participation of civil society in public policy within the context of increasing needs for scientific knowledge in areas such as environmental policy and public health.
