February 2011

Presentations

at German and International Conferences and Seminars since 2007:

2011:

24 February 2011: Panel Discussant on *“European Energy Security: Mutual Dependence – Projects, Problems and Opportunities”* at the *“Economic Forum: 5th Europe-Ukraine Forum – Ukraine. 20 Years of Independence in European Context”*; organized by the Foundation United World (Ukraine) und der Foundation Institute for Eastern Studies (Warschau/Polen), Ukrainian House (Ukraininskij Dim), Kyiv/Ukraine, 23-25 February 2011.

16 February 2011: PPT-Presentation *“The Rising Maritime Capabilities of the PLA – A German Perspective”* at the International Workshop: *“Maritime Security – Challenges and Opportunities”*, SLOC Study Group Korea/Institute of East & West Studies/Yonsei University, and KAS, Seoul.

15 February 2011: PPT Presentation *“Energy Security Perspectives of the Evolving Common EU-Energy Policies”* at the International Conference: *“European and Asian Perspectives on International Security Policies”*, Konrad-Adenauer-Foundation (KAS)-Research Institute for National Security Affairs (RINSA) at the Korean National Defense University (KNDU), Seoul.

10 February 2011: PPT-Presentation: *“The Geopolitics of Pipelines”* at the International Workshop: *“Energy Security for Europe: The EU-Agenda until 2050”*, EUCERS, King's College, London.

10 February 2011: *“Russland Gerät unter Druck’. Im Pipelinestreit liegt Nabucco vorn”*.
Interview on: <http://www.energlobe.de/?type=100#655:8:0:0:0>.

7 February 2011: PPT-Presentation *“Energy Challenges in the 21st Century”* at the 19th OSCE Economic and Environmental Forum, First Preparatory Meeting, Vienna, 7-8 February 2011.

2 February 2011: PPT-Presentation *„Energy – The New Currency of International Policies“* (*„Energie – die neue Währung der internationalen Politik“*), E.ON Kernkraft GmbH, Brokdorfer Redezeit, Informationszentrum Osterende.

2010:

February 2011

17 December 2010: Panel-Discussion to „Energy Dilemmas“ at the international conference “Ukraine 2010 +: Relations with Poland and Germany - Continuation or Change?”, organized by PAUCI, Konrad-Adenauer-Foundation, Heinrich Boell-Foundation, Baltic Business-Forum and others, Warsaw, 16-17 December 2010.

16 December: Video-Interview: „Ära der Unsicherheit“ (Era of Uncertainty), in German to Cyberattacks on Energy Control Centers, on:
<http://www.energlobe.de/?type=100#573:8:0:0:0>.

8 December 2010: PPT-Presentation „Global Risiken der Energie- und Ressourcenabhängigkeit sowie kritischen Energieinfrastruktur: Auswirkungen auf die Energiepolitik Deutschlands und der EU“ („Global Risks of Energy and Resource Dependency as well as of Critical Energy Infrastructure) on the Meeting of the Members of the Supervisory Board of TÜV-Nord e.V. und TÜV Hannover/Sachsen-Anhalt e.V. in Berlin.

7 December 2010: Video-Interview „Ära der Unsicherheiten“ on „energlobe.de“ (<http://www.energlobe.de/?type=100#573:8:0:0:0>) to New Security Challenges on Critical Energy Infrastructure Protection (CEIP).

7 December 2010: PPT-Presentation „Wettbewerbsvorteil Krisenvorsorge. Sicherheitsrisiken und Verwundbarkeiten kritischer Energie-Infrastruktur“ („Advantage of Competition – Crisis Provision: Security Risks and Vulnerabilities of Critical Energy Infrastructure“) on the FOCUS-Seminar: „Energie-Infrastruktur. Stromnetze im zukünftigen europäischen Energie-System“ (Energy Infrastructure. Electricity Grids in the Future European Energy System) in Berlin.

2 December 2010: PPT-Presentation “Energy and Central Asia – Focusing on the Internal and External Energy Policy”, the 4th Japan Institute for International Affairs (JIIA)-Konrad Adenauer Foundation (KAS) Joint Seminar, Tokyo.

25 November 2010: Panel-Discussion and Discussant "Peak Oil. Knapp und teuer - Geht uns der Sprit aus? Sind wir erpressbar? ("Peak Oil. Getting Rare and Expensive – How long do we have Oil Available? Are We Blackmailed?"), Energy and Climate Protection Foundation, EnBW, Mercedes-Benz Museum, Stuttgart.

11 November 2010: Presentation „Energy Security Cooperation and Regional Development in the Black Sea Area: Widening the Courses of Action in the Wider Black Sea Region“ at the conference: “Redefining Cooperation in the Black sea Region”. A Conference on Security, International Order and Regional Challenges – Black Sea Young Reformers Fellowship”, organized by the Robert Bosch Foundation, the German Marshall Fund and the Center for Applied Policy Research (CAP, Munich), Berlin.

11 November 2010: Presentation „Strategische Perspektiven des geopolitischen und geoökonomischen Aufstiegs China bis 2030 und ihre internen sowie externen Risiken“ (“Strategic Perspectives of the Geopolitical and Geoeconomic Rise of China till 2030 and the Internal and External Risks“) at the 80th Meeting of the U.S.A. Working Group of the Atlantik-

February 2011

Brücke: „Dynamik der USA-China-Beziehungen in ihren Auswirkungen auf Europa und Deutschland“ („Dynamics of the USA-China Relations and its Impacts on Europe and Germany“), Berlin.

8 November 2010: PPT-Presentation “Nabucco and the Southern Corridor” at the Workshop: „Turkey – an Energy Hub for Europe“, organized by EUCERS in Cooperation with the Caucasus Policy Institute“, London.

5 November 2010: Presentation „Geopolitische Ansätze der NATO, OSZE, der EU und der Bundesregierung zur Sicherung der Energieversorgung“ („Geopolitical Approaches of NATO, OSCE, EU and the German Government für Energy Supply Security“ at the 16. Symposium of the E.ON Ruhrgas AG “E.ON in Dialogue with Energy Researchers, Berlin, 4-5 November 2010.

28 October 2010: Presentation „Klimawandel und Energiesicherheit“ (Climate Change and Energy Security“) at the conference „Aktuelle Herausforderungen für die Euro-Atlantische Gemeinschaft“ („Present Challenges for the Euro-Atlantic Community“) of the Institute for Political Sciences of the Friedrich-Alexander-University Erlangen-Nürnberg.

26 October 2010: PPT-Presentation “China’s Rise and the Implications for Maritime Security” at the United Service Institution of India (USI), New Delhi.

25 October 2010: PPT-Presentation “Globalization and Sovereign Control over Energy “ at the 5th TERI-KAS International Energy Dialogue 2010: „Energy Security: Managing Risks, Balancing Concerns and Developing Frameworks“, New Delhi, 24-26 October 2010.

4 October 2010: PPT-Presentation “Global Energy Challenges – Implications and Perspectives for European and German Energy Security” at the Joint Canada-German Forum: „Shaping Future Energy Supplies, Technologies and Policies“, organized by the German Embassy and the German Foreign Ministry together with the University of Edmonton and the Fraunhofer- and Helmholtzgesellschaft, Edmonton, 4-5 October 2010.

27 September 2010: PPT-Presentation “European Views of Energy Security” at the Joint Seminar for Journalists from South Eastern Europe, organized by the Bosch- and Thomson Reuters Foundation“, Berlin.

24 September 2010: PPT-Presentation “Energy Dimensions of the Black Sea Region” at the Conference on: „*EU and the Black Sea. Turning the Crisis into an Opportunity*“, organized by the demosEUROPA – Centre for European Strategy and Erste Group Bank with the support of the Polish Ministry for Foreign Affairs, Warsaw, 23-24 September 2010.

14 September 2010: PPT-Presentation “Reliability of Critical Energy Infrastructures and New Security Challenges” at the OSCE-Special Expert Meeting on Assessing the OSCE’s Future Contribution to International Energy Security Co-operation“, Vilnius, 13-14 September, 2010.

30 August 2010: PPT-Presentation “The Evolution of Germany’s and the EU’s (Common) Foreign and Security Policies: The Role of Soft Power and Multilateralism versus Hard Power” at the Joint Seminar of KAS-Japan Foundation: “Rethinking Diplomacy: New Approaches and Domestic Challenges“, Tokyo.

Dr. Frank Umbach

February 2011

29 August 2010: PPT-Presentation "Kick-Off Speech. Germany's and Japan's Foreign Policies in Comparison" at the Joint Seminar of KAS-Japan Foundation: "Rethinking Diplomacy: New Approaches and Domestic Challenges", Tokyo.

24 August 2010: PPT-Presentation „Globale und europäische Risiken der Energie- und Ressourcenabhängigkeit sowie kritischen Energieinfrastruktur: Auswirkungen auf die Energiepolitik Deutschlands und der EU“ („Global and European Risks of Energy and Resource Dependencies and Critical Energy Infrastructure“) at a Seminar for Higher Managers, TÜV-Nord Group, Hannover.

6 July 2010: PPT-Presentation „Schutz kritischer Energieinfrastrukturen – Neue Bedrohungsrisiken (Cyber Threats) und Anforderungen an Risk Management sowie Schutzstrategien“ (“Protection of Critical Energy Infrastructures – New Risks and Threats (Cyber Attacks) and Demands for Risk Management and Safety and Security Strategies“) on the annual Conference of the „Emergency and Crisis Management 2010“) of the EnBW-Company, Karlsruhe.

1 July 2010: PPT-Presentation "Global Challenges of Energy Security and the Implications for the EU's Common Energy Policies", Center for German and European Studies, The University of Tokyo.

29 June 2010: PPT-Presentation "Promotion of Renewable Energy Sources in Germany and the EU in the Light of Their Energy Security Concepts – Objectives, Strategies, Challenges and Problems: Lessons to Learn for Japan?" at the international conference „Renewable Energy 2010“, Pacifico Yokohama/Japan, 27 June-2 July 2010.

23 June 2010; Panel-Discussion: „Die „(energie-)wirtschaftlichen Herausforderungen – lokal und global“ („Local and Global Energy-Economic Challenges“ on the XIV. German-Polish Forum: German-Polish Partnership for Europe, Warschau, 23 - 24 June 2010.

7 June 2010: PPT-Presentation "Herausforderungen globaler Energiesicherheit: Auswirkungen auf die Energieversorgungs- und Kohlepolitik der EU und Deutschlands" („Challenges of Global Energy Security: Implications for the Energy Supply- and Coal Policies of the EU and Germany“), GVST-Energy-Economic Seminar for Journalists, JSR und Partner, Marl/Germany.

4 June 2010: PPT-Presentation "European Views of Energy Security", Conference on: „Natural Gas Markets“, Bureau of Intelligence and Research/U.S. Department of State and National Intelligence Council, Wien, 3-4 June 2010.

2 June 2010; PPT-Presentation "European Energy Security and Climate Policies – Implications for Norway, the EU and Its Enhanced Strategic Energy Partnership", University of Stavanger (UiS).

1 June 2010: PPT-Presentation: "Strategic Challenges of Critical Energy Infrastructure Protection (CEIP): Implications for Corporate Security Strategies", STATOIL-Headquarter, Office of the Chief Information and Security Officer (CISO), Stavanger, Norwegen.

Dr. Frank Umbach

& Associate Director of the European Centre for Energy
and Resource Security (EUCERS), King's College, London.
E-Mail: umbach@cess-net.eu

February 2011

19 May 2010: PPT-Presentation "Ressourcen- und Energieversorgungssicherheit" („Resources and Energy Supply Security“) at the Militärattaché-Seminar, Seminar for Security Policy at the Federal Academy for Security Policy (BAKS), Berlin.

5 May 2010: PPT-Presentation "The Financial and Economic Crisis: Consequences for Energy Security" at the NATO/EAPC-Seminar "Energy Security and Critical Energy Infrastructure Protection", organized by the NATO Defence and Security Economics Directorate of the NATO-Headquarter (Brussels) and the Euro-Atlantic Partnership Council (EAPC), Tbilisi, 5-6 May 2010.

26 April 2010: PPT-Presentation "Security of Energy Policies – Nuclear Power and Energy Security" at the Workshop "Workshop on Energy Security and the Role of Nuclear Energy in Europe", organized by the European Commission/Joint Research Center (JRC), Institute for Energy, Petten/Netherlands, 16-27 April 2010
(http://capture.jrc.ec.europa.eu/LDW/petten26410/Morning%20_26/Umbach.pdf).

24 March 2010: PPT-Presentation: „Risiken, Krisen und Prävention in interdependenter KRITIS: Die Schnittstellenproblematik von CEIP und ICT“ („Risks, Crisis and Prevention of Interdependent CRITIS: Points of Intersection between Critical Energy Infrastructure Protection and ICT“) at the expert seminar „Public Private Security – Schutz Kritischer Infrastrukturen“ („Public Private Security – Protection of Critical Infrastructures“), Workshop of the Vereon AG, Berlin);

16 March 2010: Paneldiscussion „Energieträger der Zukunft: Atom und Kohle versus Erneuerbare Energien“ („Energy Sources of the Future: Nuclear and Coal versus Renewables“) at the international conference „EU Quo Vadis V: Europäische Energiepolitik. Energiesicherheit, Klimaschutz, Innovation“ der Heinrich Böll-Stiftung, Berlin.

8 March 2010: PPT-Presentation "The Threat of Energy Conflicts and other Geopolitical Challenges to European Energy Security", Workshop: „*Future Conflicts over Energy and Resources*“, King's College in cooperation with the Konrad-Adenauer-Foundation, London.

4 March 2010: PPT-Presentation „Globale Perspektiven der internationalen Kohlenmärkte: Auswirkungen auf die Braunkohlenpolitik und Energieversorgungssicherheit Deutschlands“ („Global Perspectives of the International Coal Markets: Impacts on the German Lignite Cal Policies and Energy Supply Security“), 74. Sitzung des Braunkohlenausschusses des

2 March 2010: PPT-Presentation "Strategische Perspektiven der internationalen Kohlenmärkte – Auswirkungen auf die Kohlepolitik und Energiesicherheit Deutschlands und der EU", FOCUS-Symposium: "Die Zukunft der Kraftwerke" („Strategic Perspectives of the International Coal Markets: Impacts on the Coal Policies and Energy Security of Germany and the EU“), Berlin, 1.-2.3.2010.

11 February 2010: PPT-Presentation "The Role of International Structures in Protecting Non-Nuclear Critical Energy Infrastructure from Terrorist Attacks", Public-Private Expert Workshop of the OSCE Assessing the OSCE's Future Contribution to International Energy Security Cooperation, Office of the Secretary General/Action against Terrorism Unit, supported by the U.S.A., Vienna, 11-12 February 2010.

2009:

15 December 2009: PPT-Presentation "Piraterie als sicherheitspolitische Herausforderung für Deutschland, die EU und NATO" (Piracy as a Security Challenge for Germany, the EU and NATO"); KAS-Gesprächskreis: *Vernetzte Sicherheit*: "Maritime Sicherheit – Das Horn von Afrika zwischen Piraterie und Entwicklung" (KAS-Working Group: „Networked Security: „Maritime Security – East Africa between Piracy and Development“), Berlin.

14 December 2009: PPT-Presentation „Globale und europäische Risiken der Energie- und Ressourcenabhängigkeit sowie kritischen Energieinfrastruktur: Auswirkungen auf die Energiepolitik Deutschlands und der EU“ („Global and European Risks of Energy as well as Resource Dependencies and Critical Energy Infrastructure“) in Context of the Seminar „Ressourcensicherheit“ („Resource Security“) for high ranking officers of the German Bundeswehr, Führungsakademie der Bundeswehr Hamburg (Federal Academy of the German Bundeswehr Hamburg).

26 November 2009: PPT- Presentation: „Challenges, Risks and Vulnerabilities of the Global and European Gas Market“ im Rahmen der Veranstaltung „Der Gasmarkt im Spannungsfeld von wirtschaftlichen und außenpolitischen Zielkonflikten“, Arbeitskreis USA der Atlantik-Brücke, Berlin.

23 November 2009: PPT-Presentation: "Öffentliche und private Anforderungen an die Energiesicherheit als Element der Kritischen Infrastruktur (KRITIS)" („Public and Private Demands at Energy Security as an Element of Critical Infrastructure/(KRITIS“) auf der Fachtagung Public Private Security – Vernetzte Energiesicherheit“, organisiert von der Vereon AG.

18 November 2009: Presentation: "Could Europe's Energy Security Re-Shape the EU's External Policy?" im Rahmen der Konferenz "Europe's Interlocking Challenges: Energy and the Economic Crisis", a high-level European Policy Summit, organized by "Friends of Europe" with support of AREVA, European Wind Energy Association (EWEA), ExxonMobil and Ecosocial Forum, Brussels.

16 November 2009: Presentation: „Russian Energy Strategy, New Economic Realities, Risks and Prospects for EU-Russian Cooperation“ im Rahmen des "4th Energy Forums" (high level conference with representatives of governments and international organisations), Budapest, 15.-17.11.2009.

5 November 2009: PPT-Presentation "Globale, geopolitische und ökonomische Herausforderungen für die europäische Energiesicherheit" („Global, Geopolitical and Economic Challenges for European Energy Security“) im Rahmen der Podiumsdiskussion „Europäische Energiesicherheit – Geo-, sicherheitspolitische und ökonomische Herausforderungen“, Kooperationsveranstaltung des Bonner Forum der Deutsch-Atlantischen Gesellschaft e.V., des Deutschen Marine-Instituts e.V. und der Bundesakademie für Sicherheitspolitik, Bonn.

February 2011

30 October 2009: Presentation „Problems of Maintaining, Improving or Restoring Public Standing and Reputation of Big Energy Companies” at the Working Group “Business Security” of the European Business Congress (EC) e.V., Prague.

20 October 2009: PPT- Presentation: „Operative Herausforderung – Will Europa handeln?“ („Operational Challenges – Will Europe Act?“) at the Expert Conference: „Maritime Convention 2009: Europa – Herausforderung für die Marine“ („Europe – Challenges for Naval Forces“), organised by Deutsches Marineinstitut (DMI) e.V. and Griephan, Berlin.

6 October 2009: PPT- Presentation: „Piraterie und neue maritime Sicherheits Herausforderungen für die deutsche und europäische Außen-, Außenwirtschaft- und Sicherheitspolitik“ („Piracy and New Maritime Security Dimensions for the German and European Foreign Policy, Foreign Trade and Security Policies“) at the Expert Workshop „Der Schutz vor Piraterie und maritimen Terrorismus zwischen nationaler, internationaler und unternehmerischer Verantwortung“, organisiert vom Forschungsinstitut für Compliance, Sicherheitswirtschaft und Unternehmenssicherheit (FORSI) der Deutschen Universität für Weiterbildung (DUW) in Kooperation mit der Bundesakademie für Sicherheitspolitik (BAKS), Berlin.

29 September 2009: „Herausforderungen der Globalen Energiesicherheit: Auswirkungen auf Deutschland und EU“ („Challenges of Global Energy Security: Impacts on Germany and EU“) at the „Seminar Internationale Höhere Führung“, Führungsakademie der Bundeswehr, Hamburg.

31 August 2009: PPT-Presentation: „Globale Energiepolitik“ („Global Energy Policies“) at the Academy 2009/V: „Energieversorgung heute und in Zukunft“ (Energy Supply Today and in the Future“), Foundation of the German Economy (SDW) in Cooperation with RWE; Bildungszentrum Wanderath, Baar (Eifel).

11 June 2009, PPT-Presentation: „Energy Security Under Changing Conditions for the Demand/Supply Balance: Implications for Critical Energy/Gas Infrastructure and Strategic Options of the European Gas Industry” at the Working Committee “Business Security”, 12th Annual General Meeting of the European Business Congress e.V. (EBC), Porto Cervo/Sardinia, 10-11 June 2009.

8 June 2009, PPT-Presentation: “Energie – die neue Währung der internationalen Politik?“ („Energy – The New Currency of International Politics?“) on the EnergieForum Hannover, organized by the E.ON Kernkraft GmbH and E.ON Kraftwerke GmbH.

26 May 2009, PPT-Presentation: “European Perceptions on and Perspectives of China’s and Asia’s Energy Security: Implications for Interregional Energy Cooperation” at the international conference “Is Europe Ready for Asia's Rise?”, Clingendael-Institute, Den Hague, 24-26 May 2009.

22 May 2009, PPT-Presentation: “European and Transatlantic Energy Security in Perspective” at the international conference „Redesigning Atlanticism?“, organised by the Hungarian New Atlantic Initiative, Budapest.

19 May 2009: „Die Perspektiven der europäisch-russischen Kooperation unter besonderer Berücksichtigung der Energiepolitik“ (“Perspectives of the European-Russian Cooperation with a Special Focus on Energy Policy“) at a bilateral German-Russian conference „Stand

February 2011

und Perspektiven der Kooperation EU-Russland und Deutschland-Russland“ („Present Situation and Perspectives for Cooperation between EU-Russia and Germany-Russia“) of the Hanns-Seidel-Foundation. German-Russian Dialogue Programme as a member of a HSS-delegation with two representatives of the German Bundestag and Bayerischen Landtag, 17-19 May 2009.

13 May 2009, PPT-Presentation: „Ressourcen- und Versorgungssicherheit“ („Resources and Supply Security“) at a seminar of security policy for German Military Attachées, Bundesakademie für Sicherheitspolitik (Federal Academy for Security Policy/BAKS), Berlin.

6 May 2009, PPT-Presentation: „Energiesicherheit im 21. Jahrhundert“ („Energy Security in the 21st Century“) at an information seminar for higher foreign Military Attachées, Bundesakademie der Sicherheitspolitik (Federal Academy for Security Policy/BAKS), Berlin.

2 April 2009: PPT-Presentation and Panel-Discussion: „Future Transport, Pipelines and Energy Security“ at the Public Hearing on „Security of Energy Supplies“; organized by the Committee on Industry, Research and Energy of the European Parliament, European Parliament, Brussels, 2 April 2009 (<http://http://www.europarl.europa.eu/activities/committees/hearings.do;jsessionid=3CB1098FA347D9B83AEA65B827F808F0.node1?page=2&body=&language=DE>).

30 March 2009: Presentation: „The EU, China and the US: A Strategic Triangle?“ at the Workshop: EU-China Relations: Developments, Challenges, Prospects; organized by Department of Government, University College Cork and the Irish Institute of Chinese Studies, University College Cork, Kinsale, Cork, Ireland, 30-31 March 2009.

17 March 2009: Presentation: „Energy and Geopolitics: Implications for EU-Strategies“ (Energy and Geopolitics: Implications for EU-Strategies) for international diplomats and higher officers at the 23rd International Training Course in Security Policy (ITC), organised by the Geneva Centre for Security Policies (GCSP), Geneva.

16 March 2009: Keynote-Speech and Panelist of the Expert Discussion: „Nach dem russisch-ukrainischen Gasstreit – Handlungsdruck für die EU: Wie kann Versorgungssicherheit im europäischen und nationalen Rahmen besser gewährleistet werden?“ („After the Russian-Ukrainian Gas Conflict – Implications for the EU: How European and National Supply Security Can Be Enhanced?“), organised by the Hanns-Seidel-Foundation in cooperation with the Centre for European Security Strategies (CESS) in the House of the European Commission, Berlin.

27-28 February 2009: Several Presentations on Global Energy Security and Geopolitical Risks, Energy (Foreign) Policies of the EU/Germany, Asia (i.e. China and India) and the Global Climate Change and its Implications for Foreign and Security Policies“ on the Seminar of the Bildungswerk Dortmund of the Konrad-Adenauer-Foundation and the Reservistenverbandes of the German Bundeswehr „Energiesicherheit: Öl und Gas immer teurer?“, Bielefeld.

26 February 2009: Presentation: „Globale Ressource Kohle und internationale Rohstoff- und Energiesicherheit“ (Global Resource Coal and International Security of Raw Materials and Energy“) on the Symposium „Innovationsforum Innovative Braunkohlen-Integration in Mitteldeutschland (IBI). Neue Strategien zur stofflichen Verwertung“, Freiberg.

February 2011

11.11.2008: Presentation "German Perspectives on Future Transatlantic Energy Cooperation and the EU's Energy Partnership with Russia" at the international seminar: "New Transatlantic Perspectives on Russia", organized by the Russia Foundation, London, 11 November 2008.

4.11.2008: Presentation "Towards a solid European external energy policy" at the international Round Table conference: "Strategic Energy Review in Europe: Enhancing Energy Security and External Energy Policy", organized by the Lithuanian Foreign Ministry and its Embassy in Berlin in cooperation with CESS (Munich-Berlin) and the German Foreign Ministry, 4th November 2008, Berlin.

29.10.2008: Presentation „Europe's Strategic Energy Interests in Central Asia and the Caucasus Region (CACR): EU and German Perspectives" at the 16th International Conference on "Central Asia and Caucasus: Confrontation in the Caucasus: Roots, Dimensions and Implications", organised by the Institute for Political and International Studies (IPIS) in Teheran.

24.10.2008: Two Presentations: „Energieversorgung als politische Querschnittsaufgabe" („Energy Supply as a Political Cross-cutting Task") and „Energie – die neue Währung der internationalen Politik" („Energy as the New Currency of International Politics") at the international Conference „EU – Energie – Sicherheit", organised by the Europäischen Akademie für Lebensforschung, Integration und Zivilgesellschaft (EALIZ) in Krems, in Vienna

16.10.2008: Presentation "EU and Germany's Policies on Climate Change" at the 2008 Annual Conference "Global Warming and Climate Change: Implications for Human Security (Visions From Asia and Europe)", organised by the Research Unit on International Security and Cooperation (UNISCI), Complutense University of Madrid, with the support of the Asia-Europe Foundation u.a., Madrid.

9.10.2008: Presentation "Global Energy Challenges and Implications for the Energy Partnership between EU/Germany and Norway" at the Third German-Norway Conference "Future Challenges for Internal and External Security Issues in Berlin.

8.10.2008: Podium Discussant to „Gemeinsame Energieaußenpolitik, Actionplan und Energiepaket der EU, Energiepolitik mit Drittstaaten in Europa" („Common Energy Foreign Policy, Action Plan and Energy Package of the EU, Energy Policies towards Third States") at the European Energy Conference „Europäische Energieversorgung im Zeichen des Klimawandels und der Energieverknappung", organised by the European Information Centre in der Thüringer Staatskanzlei und der Europäischen Kommission in collaboration with: Commerzbank AG, Thüringer Aufbaubank, E.ON Ruhrgas, Verbundnetz GAS / SWE, am 07./08. Oktober 2008 in Erfurt.

23.9.2008: Two Presentations to "The Rise of the Suppliers (with the focus on Russia)" and "Growing Demand and Expanding Relationships: China and India" at the "U.S.-European Dialogue on Energy and Climate Change" on "New Challenges, New Approaches", organised by the Nixon-Center, Washington D.C.
