

Democracy in the European Union – EURR 5106

Fall 2014

Thursdays 8:35AM – 11:25AM

Instructor: Achim Hurrelmann

How can citizens participate in EU politics? Is there a “democratic deficit” in the EU? Does European integration undermine national democracies? This course examines academic debates on these questions, paying particular attention to the effects of the Eurozone financial crisis and the recent European Parliament election.
