

2016/2017 Fiscal Year End Instructions

Carleton University must undergo an annual audit of its financial records, for the period of May 1st to April 30th, to satisfy several external stakeholders such as the Ministry of Advanced Education and Skills Development (MAESD), the Canada Revenue Agency (CRA), and financial lending institutions. Our goal is to close the books as fast as possible and as accurately as possible. In order to do this, we need the university community to assist us by forwarding all financial documents relating to transactions that occurred prior to April 30th by the deadlines noted below. Documents received by the dates below, and relating to the 2016/2017 fiscal year, will be entered into the system. Documents received after these dates, unless considered material (generally over \$50,000-\$100,000), will be recorded in the next fiscal year.
