

Course: LAWS 5306W/SOCI5305W: Police and Capital
Term: Winter 2011-2012
Class: Day and Time: Tuesdays 11:30-14:30pm
Room: LA D492
Instructor: George S. Rigakos
Contact: Mondays 11:30-14:00
Wednesdays 11:30-14:00
Tel: 520-2600 ext. 3683
Email: george_rigakos@carleton.ca

DESCRIPTION:

This course critically examines the idea of 'police' as a general historical project aimed at the fabrication of social order; as a response to risk and crime; and as a foundational theoretical concern for the development of eighteenth century liberal political philosophy, political economy and security. These formative theoretical notions about police are extended to a consideration of trends in contemporary public and private security provision including the influence of commodification, militarization, class conflict, and the effect of risk thinking.

COURSE TEXTS:

Rigakos, George S., John L. McMullan, Joshua Johnson and Gulden Ozcan, Eds., *A General Police System: Political Economy and Security in the Age of Enlightenment*. Ottawa: Red Quill Books.

[Available at: Octopus Books: 116 Third Ave., Ottawa Ont., 613-233-2589 or by visiting:
http://www.redquillbooks.com/General_Police_System.html]

+ All additional articles and course materials available on WebCT for download. Once they are processed by the Library these will also be available through Ares.

****NOTE: Laptops are not allowed in class.**

EVALUATION:

Participation is a key requirement of graduate courses. This course is structured in as a seminar which requires active involvement from students.

Participation:	50%	1.	Presentation(s)
Due throughout course		2.	In-class discussion
Two Papers (15 pages each):	50%	1.	First paper is due February 20 th .
		2.	Second paper is due end of term

Presentation:

1. Make sure to cover all of the key points and arguments made in each of the articles you are assigned;
2. Do not feel obliged to give a verbatim account of the assigned readings and especially try to avoid reading from your notes for a prolonged period of time;
3. Construct topics for discussion as well as questions that may prompt or stimulate debate;

4. You have 15-20 minutes to present;
5. It is always helpful to provide an outline or notes for fellow classmates.

Papers:

Students will write two papers of equal worth (25%) on a topic or reading discussed in the course. I would suggest that you consider making the papers relate to your presentation. Information about the paper requirements will be posted on WebCT.
