## **Evaluation**

### **TEST 1**

**Value:** 20%

**Date:** May 25<sup>th</sup>, 2017

**Description:** This test will be in multiple choice, true/false, and short and long answer format. Students will be given the entire class time to complete the test. Students arriving an hour after the test has started will not be allowed to write the test. See 'Notes' for missed tests.

### **ESSAY**

**Value:** 20%

**Date:** June 8<sup>th</sup>, 2017

**Description:** Topics will be given in class, but students are welcome to write on a topic not given in class. Topics must be approved by the instructor. Papers are to be submitted in class, on or before the due date. Papers can also be submitted via the philosophy drop box located on floor 3A, Paterson Hall.

Papers must be typed, double-spaced, 12 point font Times New Roman, and must not exceed 8 pages. Papers should be 6-8 pages in length, and must include a bibliography. Students will be provided with a writing workshop/tutorial (see schedule below).

Late essay submissions will be penalized one full letter grade per day, including weekends (if a B+ paper is handed in a day late, it will receive a C+). If a paper is submitted after 4:30PM via the philosophy drop, it will be considered submitted the following day. If a paper is submitted after 4:30 PM on a Friday, it will be considered submitted on the following Monday). Late essays will be accepted without penalty only if there is legitimate reason. Extensions may be granted under special circumstances. If you need an extension, you must see the instructor at least one week before the assignment is due. There is no guarantee for an extension. Essays submitted after June 13<sup>th</sup> will not be accepted (see policy page below).

### **MINI IN-CLASS ACTIVITIES/ASSIGNMENTS (6 assignments X 5% each)**

**Value:** 30%

**Date:** See course schedule.

**Description:** Students will engage in course material by completing activities/assignments during class time. Assignments will enhance students' abilities to create and analyze arguments, debate theories and ideas, and write a scholarly essay in philosophy. If a student is unable to attend class when assignments are due, they will receive a 0 for the assignment unless verifiable documentation is received (e.g., doctor's note). Upon verified documentation, a makeup assignment will be provided. See 'Notes' section for further information.

As much as possible, I will be using a flipped class approach in which students support each other in learning activities in small groups. For some of the classes, traditional lecturing will be swapped in favour of a peer learning environment. It is in your best interest to attend all classes and participate as much as possible. Some in-class assignments will take the form of group work.

**TEST 2****Value:** 30%**Date:** June 6<sup>th</sup>, 2017

**Description:** This test will be in multiple choice, true/false, and short and long answer format. Students will be given the entire class time to complete the test. Students arriving an hour after the test has started will not be allowed to write the test. See 'Notes' for missed tests.

Any deferrals must be submitted to the registrar's office (see policies below).

**NOTES**

1. The standard time for returning graded tests, assignments, etc. is two weeks from the date of the test or assignment due date. If additional time is needed for grading, announcements will be made in class or posted on the CULearn website.
2. If a disagreement over a grade occurs, the student can appeal the grade to the instructor after having discussed the grade with the TA, if a TA has been assigned to the course. If a TA has not been assigned, the student should speak with the instructor.
3. A makeup test/assignment will be provided only upon presentation of verifiable documentation (e.g., a doctor's note). A failure to provide one will result in a zero. It is the student's responsibility to contact the instructor if a test or assignment is missed. Students must contact the instructor within 72 hours of a missed test or 24 hours of a missed assignment to schedule a makeup. This is the student's responsibility. Arrangements must be made directly with the instructor. There are no exceptions.
4. Student or professor materials created for this course (including presentations and posted notes, labs, case studies, assignments and exams) remain the intellectual property of the author(s).
