RELI 4850A Seminar in the Study of Religion, Fall 2012
“Religion & the Environment: Nature, Nature Religion, & Religious Environmentalism”

Thursdays, 6:05 - 8:55, Paterson Hall 2A46
Prof. Noel Salmond; Paterson Hall 2A38

Office hours: 10:30 – 12:00 Weds.

Concern and controversy over the environment constitutes one of the dominant issues in public life. How is religion implicated in this debate? The seminar examines religious attitudes to nature and it examines nature as an object of religious veneration. We analyze what religious communities have been saying in recent decades with regard to environmental conditions and we trace the development of religious environmental ethics. The seminar is also concerned with debates over environmentalism itself construed as a form of religion. In short we are concerned with three distinct but overlapping phenomena: 1) nature religion; 2) religious environmentalism; 3) environmentalism attacked (by its detractors) as a form of implicit (and bogus) religion.

REQUIREMENTS

Reading Responses 20%

A one to two page (double-spaced) response due at class each week on the assigned readings. These should also be sent to me electronically. These responses should include a question you would like to see addressed by the group. Eleven are required, the best ten will be counted, at 2 points each. These are to be handed in at the beginning of class, late responses are graded down 50%, i.e., they are graded out of 1 instead of 2. These responses are also a measure of attendance and participation designed to promote informed engagement at the weekly meeting which is the *sine qua non* of success in this course. Note: ***to miss more than three of the weekly meetings (which would mean, in effect, you had missed a third of the class) is to forfeit credit for the course.***

Seminar Presentation and Participation 15%

Beyond engaging in discussion in the weekly session, each student will be responsible for presenting on one of the readings for the week once in the semester.

Essay Proposal 10%

Suggested topics will be provided. The proposal indicates your choice from among the topics. It is to consist of a working title, a working bibliography, and a preliminary abstract that details a preliminary thesis statement. The tentative thesis statement should indicate how you intend to focus the chosen topic and the argument to be developed. **Due Oct. 25.** Note: This proposal is an absolutely essential feature of the course. Decisions have to be made early on your topic as your research essay will probably necessitate using inter-library loan and other research avenues that necessitate being well underway early in the semester.

Take-home Examination 15% Due Dec. 6

Research Essay 40%

A research essay of (20 + typed, double-spaced pages). Topics must be approved by the instructor. The original copy of your proposal must be resubmitted with the paper, essays will not be marked without it. Essays must have a clearly articulated thesis. Essays must also include an abstract. **Due Dec. 2.** **Note:** late papers (except with medical documentation) are docked 4 percentage points per day.

Note: All course requirements listed above must be fulfilled to gain credit for this course

REGULATIONS COMMON TO ALL HUMANITIES COURSES

COPIES OF WRITTEN WORK SUBMITTED

Always retain for yourself a copy of all essays, term papers, written assignments or take-home tests submitted in your courses.

PLAGIARISM

The University Senate defines plagiarism as "*presenting, whether intentional or not, the ideas, expression of ideas or work of others as one's own.*" This can include:

- reproducing or paraphrasing portions of someone else's published or unpublished material, regardless of the source, and presenting these as one's own without proper citation or reference to the original source;
- submitting a take-home examination, essay, laboratory report or other assignment written, in whole or in part, by someone else;
- using ideas or direct, verbatim quotations, or paraphrased material, concepts, or ideas without appropriate acknowledgment in any academic assignment;
- using another's data or research findings;
- failing to acknowledge sources through the use of proper citations when using another's works and/or failing to use quotation marks;
- handing in "*substantially the same piece of work for academic credit more than once without prior written permission of the course instructor in which the submission occurs.*"

Plagiarism is a serious offence which cannot be resolved directly with the course's instructor. The Associate Deans of the Faculty conduct a rigorous investigation, including an interview with the student, when an instructor suspects a piece of work has been plagiarized. Penalties are not trivial. They can include a final grade of "F" for the course

GRADING SYSTEM

Letter grades assigned in this course will have the following percentage equivalents:

A+ = 90-100 (12)	B = 73-76 (8)	C - = 60-62 (4)
A = 85-89 (11)	B- = 70-72 (7)	D+ = 57-59 (3)
A- = 80-84 (10)	C+ = 67-69 (6)	D = 53-56 (2)
B+ = 77-79 (9)	C = 63-66 (5)	D - = 50-52 (1)

F	Failure. Assigned 0.0 grade points
ABS	Absent from final examination, equivalent to F
DEF	Official deferral (see "Petitions to Defer")
FND	Failure with no deferred exam allowed -- assigned only when the student has failed the course on the basis of inadequate term work as specified in the course outline.

Standing in a course is determined by the course instructor subject to the approval of the Faculty Dean.

WITHDRAWAL WITHOUT ACADEMIC PENALTY

The last date to withdraw from **FALL TERM** courses is **DEC. 3, 2012**. The last day to withdraw from **FALL/WINTER (Full Term)** and **WINTER** term courses is **APRIL 10, 2013**.

REQUESTS FOR ACADEMIC ACCOMMODATION

You may need special arrangements to meet your academic obligations during the term because of disability, pregnancy or religious obligations. Please review the course outline promptly and write to me with any requests for academic accommodation during the first two weeks of class, or as soon as possible after the need for accommodation is known to exist. You can visit the Equity Services website to view the policies and to obtain more detailed information on academic accommodation at: carleton.ca/equity/accommodation/

Academic Accommodations for Students with Disabilities

The Paul Merton Centre for Students with Disabilities (PMC) provides services to students with Learning Disabilities (LD), psychiatric/mental health disabilities, Attention Deficit Hyperactivity Disorder (ADHD), Autism Spectrum Disorders (ASD), chronic medical conditions, and impairments in mobility, hearing, and vision. If you have a disability requiring academic accommodations in this course, please contact PMC at 613-520-6608 or pmc@carleton.ca for a formal evaluation. If you are already registered with the PMC, contact your PMC coordinator to send me your *Letter of Accommodation* at the beginning of the term, and no later than two weeks before the first in-class scheduled test or exam requiring accommodation (*if applicable*). After requesting accommodation from PMC, meet with me to ensure accommodation arrangements are made. Please consult the PMC website for the deadline to request accommodations for the formally-scheduled exam (*if applicable*).

PETITIONS TO DEFER

If you miss a final examination and/or fail to submit a **FINAL** assignment by the due date because of circumstances beyond your control, you may apply a deferral of examination/assignment. If you are applying for a deferral due to illness you will be required to see a physician in order to confirm illness and obtain a medical certificate dated no later than one working day after the examination or assignment deadline. This supporting documentation must specify the date of onset of the illness, the degree of incapacitation, and the expected date of recovery.

If you are applying for a deferral for reasons other than personal illness, please [contact](#) the Registrar's Office directly for information on other forms of documentation that we accept.

Deferrals of assignments must be supported by confirmation of the assignment due date, for example a copy of the course outline specifying the due date and any documented extensions from the course instructor.

Deferral applications for examination or assignments must be submitted within **5 working days** of the original final exam.
