

Important Information about Course Code Changes

Please note that recent changes to the course code system will affect how you search for courses on Carleton Central. In the drop-down subject field, search for LING courses under “Linguistics.” Search for ALDS courses under “Appl. Linguistics & Discourse.”

It will also affect how you select courses to satisfy your program requirements.

For example:

The sample audit below shows a student who has completed 0.5 of a required 1.0 credits. She/he must now choose a course from the SELECT FROM category.

1.0 credits from courses listed below:				
0.5 cr. Complete				
07WN	LALS	2203	0.5	B+
NEEDS: .5 Credits				
SELECT FROM: LALS 2001 LALS 2604 LALS 2701				
LALS 2704 LALS 2705				

The courses listed in the audit use the previous course codes system. The following table lists the equivalent courses she/he can choose from:
