

## **ARTH 5012 - [0.5 credit] - Directed Readings Form**

Students must first gain permission from the graduate supervisor in Art and Architectural History. Students then meet with their Directed Readings supervisor and agree on a topic. The Supervisor must then submit a basis of evaluation for the Directed Reading. The student must then submit (along with this signed form) a brief topic outline including bibliography and key research questions.

Students will not be permitted to register for this course until this form is completed and signed.
