The Education & Training Domain Area Committee is:

The purpose of the Education and Training Domain Area Committee (DAC) within the Canadian Accessibility Network (CAN) is to expand access and education around those critical digital skills that have become vital to so many Canadian’s jobs. Moving into a post-pandemic world, the Education and Training DAC is committed to compiling and creating learning resources, certification opportunities, and other job seeking tools that not only empower Canadians with disabilities, but also ensure that no one is left behind as the world moves forward.

Please indicate your functional ability in both official languages (check off all that apply):

English (speaking) French (speaking)

English (writing) French (writing)

Experience: Please indicate as many of the skills and/or areas of expertise that you would bring to this role:
