Additional Contract Instructor Teaching Opportunities 2018-2019

Azrieli School of Architecture and Urbanism at Carleton University

Pursuant to Article 16 of the CUPE 4600 Unit 2 Collective Agreement, applications are invited from members of the CUPE 4600-2 bargaining unit and other interested persons to teach the following Architecture courses during the 2018-19 Fall/Winter terms.

Required Qualifications

All candidates must have a professional degree in Architecture unless otherwise specified in the experience requirements listed below. Preference will be given to candidates with a professional license and professional experience or a Ph.D. in the subject area of the course. Candidates must also have excellent communication and presentation skills. Teaching experience at the university level and in the course subject areas is an asset. All candidates will work closely with the Associate Director and Director as well as the Coordinator or Chair of the relevant programs or studios to ensure that their course material meets the University Calendar regulations, the pedagogical objectives of the School and the specific Canadian Architectural Certification Board Student Performance Criteria (CACB – SPC) for their specific course. Please visit the CACB website to review these criteria at www.cacb-ccca.ca.

Applications will be accepted until midnight on June 27th. Please indicate each course for which you would like to be considered.

Applications must include all of the following:

- Covering letter,
- Curriculum vitae, and
- Carleton University Contract Instructor Application Form including educational background, employment history, and related experience. This form can be found at http://carleton.ca/npsia/wp-content/uploads/Sessional-App.pdf

All successful applicants will be required to familiarize themselves with the contents of “An Orientation Handbook for New Faculty and Contract Instructors at Carleton University” which can be found online at: http://carleton.ca/edc/wp-content/uploads/New-Faculty-and-Contract-Instructor-Handbook-Winter-2014.pdf

All new contract instructors will be required to complete Carleton University’s New Contract Instructor Orientation offered through Carleton’s Educational Development Center and provide documentation of completion of the Orientation Session to the Director prior to delivering their 2018/19 course. The course covers rules and regulations of the University, online tools and other critical information necessary for course development, delivery and examinations as well as student communication protocol.

Please note:

- Assignment of courses to regular faculty members have not yet been finalized and hence the list of teaching assignments and postings are subject to change
- Some courses may be taught by employees who have the right to automatic reappointment as per the CUPE 4600-2 Collective Agreement, Articles 16.3 and 16.4.
- All positions are subject to budgetary approval.
Carleton University is strongly committed to foster social and cultural diversity within its community. We welcome those who would contribute to the further diversification of our University including but not limited to women, persons with disabilities, visible minorities, Aboriginal peoples, and persons of any sexual orientation or gender identity.

All applications should be sent electronically as a PDF to the attention of:
   Professor Jill Stoner, Director
   Azrieli School of Architecture & Urbanism:
   c/o Claire Ryan, School Administrator at: Claire.Ryan@carleton.ca

Courses

FALL TERM 2018 (September to December 2018)

ARCC 2203 / 5098
Course Title: Architectural Technology 3/ Building Technology 3
Semester Offered: Fall 2017

Calendar Description: Wood frame, post and beam, steel and concrete systems and construction techniques. Structural systems and building envelope principles and practice are explored in conjunction with mechanical and electrical systems in smaller buildings. Emphasis on precedent, tradition and methodology of architectural detailing for construction.

Course Format: Lectures three hours a week.

CACB SPC: B4, B6, B8, B9, B10, B11, C1

Specific Experience Required: A minimum of 5 years architectural experience working with Canadian climate building technologies, integrated building systems and Canadian Building Code in small and large-scale projects. This course is taught to students in various degrees including architecture, engineering and conservation & sustainability and the course must be coordinated to be inclusive of all disciplines.

Coordination: Before the semester begins, the scope of the content, schedule and assignments of this course must be coordinated with the Third Year Studio Coordinator, the M.Arch (13 credit Chair) and the Chair of the Conservation & Sustainability program. All deadlines or tests must be entered on the Architecture online deadline calendar (Team-Up) and verified as approved by the relevant coordinators. In addition, this course requires that the Technical Services Request form be completed should any use of the workshops, CNC, laser cutter or computing and printing services be required. Time requested must be approved by the relevant technicians and may require alteration based on overall demand.

ARCS 5105
Course Title: **Graduate Studio 1 [2 positions]**

Semester Offered: Fall 2018

**Calendar Description:** An architectural investigation within a contemporary urban setting, usually dealing with central-city sites and complex programs. Projects address the question of urban architecture both from practical and theoretical perspectives. Architecturally relevant building technology and systems will be introduced in the Studio as required.

**CACB SPC:** A1, A2, A3, A4, A5, A6 A9, B1, B2, B3, B4, B5, B6, B7, B8, B9, B10, B11, C1, C2, C3, C4

**Specific Experience Required:** This studio, known at the School as the "Gateway Studio," requires a minimum of 7 years architectural experience working in the architectural profession with expertise in the areas listed in the calendar description. Teaching experience is an asset. All candidates should have a professional degree in architecture, and be familiar with the 'comprehensive design studio' concept.

**Coordination:** Before the semester begins, the scope of the content, schedule and assignments of this course must be coordinated with the ARCS 5105 studio coordinator, who will be responsible for all deadlines and final reviews.

End of offerings.
