Approved History/Theory Electives 2019-20

Approved History/Theory Electives are courses in the BAS Design and BAS C&S streams possessing history and theory content related to Architecture. Below are the approved history/theory electives offered for the current academic year. Please note that if you wish to take a course from the public schedule (refer to Carleton Central), that does not appear on this list, you may email the Associate Director Undergraduate to request assessment and approval. Note also that if a course that appears on this list is mandatory in your BAS stream, it cannot be counted as an HT Elective, and you must select another to fulfil program requirements (marked with an asterisk). W and F indicate term.
