Azrieli School of Architecture and Urbanism
Visits and Information Sessions

OPTION 1: Visit us here at Carleton
Are you interested in applying to the Bachelor of Architectural Studies program at Carleton University? You may visit Carleton’s campus and our School by participating in one of the open houses listed below.

Saturday, October 21st, 2017
Carleton University Fall Open House
Register here: https://admissions.carleton.ca/openhouse/engineering-design/

• This open house is for applicants who are considering a range of programs at Carleton, including Architecture. Participants will hear a presentation about the three majors in the BAS program and about the portfolio requirements, meet students and tour the Architecture building.

Friday, Dec 1st, 2017
Carleton University Design Day
Register here: https://admissions.carleton.ca/campustours/specialty-tours/

• This open house is for applicants interested in one (or more) of the three design disciplines offered through the Faculty of Engineering and Design, namely Architecture, Industrial Design and Interactive Multimedia & Design. Participants will hear a presentation about the three majors in the BAS program and about the portfolio requirements, meet students and tour the Architecture building.

Friday, November 17th, 2017 or Friday, January 19th 2018
BAS Open House – Architecture Building
Register here: https://admissions.carleton.ca/campustours/specialty-tours/architecture-specialty-tour/

• This open house is for applicants specifically interested in the Architecture program at Carleton. Participants will experience a day in the life of our School while receiving information on the BAS and how to apply. As part of the “BAS Open House,” participants may also register for partial campus tours (such as tours of the residences). Select these while you register, at the link below.
At the BAS Open House, you will:

- Hear a presentation about the three majors in the BAS program and about the portfolio requirements.
- Participate in a drawing exercise and a review session.
- Meet members of the faculty.
- Observe a studio class and see examples of studio work.
- Have a tour of the school and meet current students.
- Participate in scheduled tours of your choice of Carleton’s campus (select these while you register).
