## Regulations Applying Specifically to HUMS 2000:

**General Course Requirements:** To pass, students must regularly attend the lectures, complete all the written assignments, and sit both the examinations, all unless formally excused by the Instructors because of illness or some other legitimate reason. Failure to complete all the written assignments and sit the Christmas examination unless excused will result in the grade FND (Failed, No Deferral). FND will also be awarded to students whose grades on all the course work exclusive of the final examination are such that they cannot pass the course no matter how well they might do on the final examination.

**Attendance:** Students are responsible for all material covered, announcements made, course documents distributed, and assignments returned, whether they are present in class or not.

**Late Assignments:** Assignments are to be submitted in class on the day they are due. Assignments that come into the Instructors' hands after the end of class will be docked one grade-point (e.g., from a B+ to a B) the first day or part thereof and each day subsequently. Late penalties on papers accompanied by a medical certificate or other proof of a legitimate reason for lateness will be adjusted accordingly. But once the papers submitted on time are graded and returned, *no further papers will be accepted except for very compelling reasons*. No work can be accepted for any reason after the Senate's deadline published in the current *Calendar*.

## Regulations Common to All Humanities Courses:

**Copies of Written Work Submitted:** Always retain for yourself a copy of all essays, term papers, written assignments or take-home tests submitted in your courses.

**Plagiarism:** The University Senate defines plagiarism as "presenting, whether intentional or not, the ideas, expression of ideas or work of others as one's own." This can include:

- reproducing or paraphrasing portions of someone else's published or unpublished material, regardless of the source, and presenting these as one's own without proper citation or reference to the original source;
- submitting a take-home examination, essay, laboratory report or other assignment written, in whole or in part, by someone else;
- using ideas or direct, verbatim quotations, or paraphrased material, concepts, or ideas without appropriate acknowledgment in any academic assignment;
- using another's data or research findings;
- failing to acknowledge sources through the use of proper citations when using another's works and/or failing to use quotation marks;
- handing in "*substantially the same piece of work for academic credit more than once without prior written permission of the course instructor in which the submission occurs.*"

Plagiarism is a serious offence which cannot be resolved directly with the course's instructor. The Associate Deans of the Faculty conduct a rigorous investigation, including an interview with the student, when an instructor suspects a piece of work has been plagiarized. Penalties are not trivial. They can include a final grade of "F" for the course

**Grading System:** Letter grades assigned in this course will have the following percentage equivalents:

A+ = 90-100 (12) B = 73-76 (8) C - = 60-62 (4)  
 A = 85-89 (11) B- = 70-72 (7) D+ = 57-59 (3)  
 A- = 80-84 (10) C+ = 67-69 (6) D = 53-56 (2)  
 B+ = 77-79 (9) C = 63-66 (5) D - = 50-52 (1)

F Failure. Assigned 0.0 grade points

ABS Absent from final examination, equivalent to F

DEF Official deferral (see "Petitions to Defer")

FND Failure with no deferred exam allowed -- assigned only when the student has failed the course on the basis of inadequate term work as specified in the course outline.

Standing in a course is determined by the course instructor subject to the approval of the Faculty Dean.

**Withdrawal Without Academic Penalty:**

The last date to withdraw from Fall Term courses is Dec. 5, 2011. The last day to withdraw from Fall/Winter (Full Term) and Winter term courses is April 5, 2012.

**Requests for Academic Accommodation:**

You may need special arrangements to meet your academic obligations during the term because of disability, pregnancy or religious obligations. Please review the course outline promptly and write to me with any requests for academic accommodation during the first two weeks of class, or as soon as possible after the need for accommodation is known to exist. You can visit the Equity Services website to view the policies and to obtain more detailed information on academic accommodation at: [carleton.ca/equity/accommodation/](http://carleton.ca/equity/accommodation/)

Students with disabilities requiring academic accommodations in this course must register with the Paul Menton Centre for Students with Disabilities (PMC) for a formal evaluation of disability-related needs. Documented disabilities could include but not limited to mobility/physical impairments, specific Learning Disabilities (LD), psychiatric/psychological disabilities, sensory disabilities, Attention Deficit Hyperactivity Disorder (ADHD), and chronic medical conditions. Registered PMC students are required to contact the PMC, 613-520-6608, every term to ensure that your Instructor receives your Letter of Accommodation, no later than two weeks before the first assignment is due or the first in-class test/midterm requiring accommodations. If you only require accommodations for your formally scheduled exam(s) in this course, please submit your request for accommodations to PMC by Nov.11, 2011 for the Fall term and March 7, 2012 for the Winter term. For more details visit the Equity Services website: [carleton.ca/equity/accommodation/](http://carleton.ca/equity/accommodation/)

**Petitions to Defer:**

If you miss a final examination and/or fail to submit a FINAL assignment by the due date because of circumstances beyond your control, you may apply a deferral of examination/assignment.

If you are applying for a deferral due to illness you will be required to see a physician in order to confirm illness and obtain a medical certificate dated no later than one working day after the examination or assignment deadline. This supporting documentation must specify the date of onset of the illness, the degree of incapacitation, and the expected date of recovery.

If you are applying for a deferral for reasons other than personal illness, please contact the Registrar's Office directly for information on other forms of documentation that we accept.

Deferrals of assignments must be supported by confirmation of the assignment due date, for example a copy of the course outline specifying the due date and any documented extensions from the course instructor.

Deferral applications for examination or assignments must be submitted within **5 working days** of the original final exam.
