

BIOL 2104

Introductory Genetics

Winter 2021

Lecture: Blended content

Instructor: Dr. Mohsen Hooshyar
mohsen.hooshyar@carleton.ca

- Lectures will be presented live on Tuesdays & Thursdays from 11:35am-12:55pm. Recordings will be posted for asynchronous viewing
- Midterms will be scheduled for specific days, but you will have a 12-hour window in which to do your 1.5-hour attempt. Tests will be open book and will not be proctored.
- Virtual TA office hours will be scheduled at various days & times. Details to be determined.
- Textbook: 'Genetics: From Genes to genomes', by Hartwell *et al* (McGraw Hill publishing). Recommended, but not required. Other intro genetics textbooks should suffice

Lab: Asynchronous

Lab coordinator: Dr. Ian Pulsifer
ian.pulsifer@carleton.ca

- Lab content will be divided into 6x 2-week modules
- Lab introduction, assignment, and instructions will be posted at the start of each module. Assignments will be due at the end of each module
- Virtual TA office hours will be scheduled at various days & times. Details to be determined.
- No lab manual or other content needed for purchase
