

CALLING ALL MALE UNDERGRADS

**Help us understand how
cannabis relates to your
health!**

**Come in for an hour lab session to complete
our survey, get your blood drawn, get a take-
home saliva sample kit, and complete a
survey one year later.**

**You will be compensated with a \$25
e-gift card for phase 1 and a \$35 e-
gift card for phase 2**

CUREB-B CLEARANCE #119723

This survey is being conducted by Isabella Hotston (isabellahotston@cmail.carleton.ca)
and Dr. Kim Hellemans (kim.hellemans@carleton.ca), Carleton University Neuroscience.
