

THE DEPARTMENT OF EARTH SCIENCES, CARLETON UNIVERSITY PRESENTS

# VENUS DAY

FRIDAY, MARCH 10TH | 9 AM - 4 PM  
ROOM 3120 - HERZBERG LABORATORIES

Organized by:

Dr. Hafida El Bilali and Dr. Richard Ernst

The International Venus Research Group (IVRG), including members of the Carleton University Team, will share their research discoveries on Venus.

All are welcome to attend and share with us this Special Day!
