

Counselling and Psychotherapy Programs

Applicants are responsible for researching the following College of Registered Psychotherapists of Ontario's (CRPO) recognized training programs and confirming program availability/eligibility.

Applicants who wish to practice as a Registered Psychotherapist in Ontario should research the CRPO website to better understand the registration requirements. Applicants who wish to practice as a licensed psychotherapist or counsellor outside of Ontario are encouraged to consult the applicable regulatory body that corresponds with the province or territory they would like to work in.
