

Carleton University Fall Career & Networking Fair: Employer Cheat Sheet

Please see the descriptions for each employer attending Carleton's Career & Networking Fair on October 9, 2024.

[Alpha Auto Group](#)

Alpha Auto Group ("AAG"), combined with its Parent company, is the largest Canadian based auto retail group in the world. During 2023, AAG's Parent company completed the acquisition of Lookers PLC, one of the UK's largest auto retailer groups with locations across England, Scotland, Ireland and Northern Ireland. On a combined basis, AAG's parent company currently owns over 160 franchise dealerships on a global basis, representing over 35 of the world's top vehicle manufacturers. They are passionate about Hiring, Retaining, and Developing High-Performing and Engaged Employees. Their success hinges on the dedication and expertise of their team members. They prioritize the recruitment, retention, and ongoing development of top talent to ensure continued excellence.

[ALSTOM](#)

From high-speed trains, metros, monorails, trams, to turnkey systems, services, infrastructure, signaling and digital mobility, Alstom offers its diverse customers the broadest portfolio in the industry. With its presence in 63 countries and a talent base of over 80,000 people from 175 nationalities, the company focuses its design, innovation, and project management skills to where mobility solutions are needed most. Alstom's community creates an environment promoting and encouraging teamwork, dialogue, and cooperation, across all levels of hierarchy and all geographical areas. They are eager to invite their future co-workers into their company culture and introduce them to their world!

[APS Aerospace Corp.](#)

AIRINC and Plane Sciences Inc. joined forces and created a new company, APS Aerospace Corp. APS has 100 years of experience in the aviation industry. Specializing in FDR and CVR analysis, the company is uniquely positioned to deliver complex flight data projects.

[BDO Canada](#)

BDO Canada LLP is a leading provider of professional services to clients across a variety of sectors and segments. For over 100 years, their team has served communities across Canada through a comprehensive range of assurance, tax, and consulting services, complemented by deep industry knowledge. With over 5000 people across 100 offices in Canada, and more than 1,800 offices in 164 countries, BDO is well-positioned to assist clients with both domestic and global needs. They have a learning environment with an emphasis on continuous development to help you grow personally and professionally. Their people-first approach to their talent experience has earned them multiple awards, including a spot among Canada's Top 100 Employers for 2024.

Carleton University Fall Career & Networking Fair: Employer Cheat Sheet

[Campfire Circle](#)

Campfire Circle is a privately funded charity that brings laughter and joy to kids and families affected by childhood cancer. They're a unique community of vibrant and committed professionals whose goal is to enrich the lives of kids and families affected by childhood cancer. Year-round community, in-hospital and overnight camp programs deliver fun, friendship and a sense of community at any stage of a childhood cancer journey.

[Canada Border Services Agency \(CBSA\)](#)

The Canada Border Services Agency (CBSA) facilitates legitimate travel and trade while enforcing over 100 acts to ensure safety. With over 14,000 public servants, CBSA offers diverse career opportunities for analytical, career-minded individuals with strong communication skills. As one of the largest student employers in the public service, CBSA values students for their role in border management, science, technology, and policy, seeing them as essential to its future.

[Canada Revenue Agency \(CRA\)](#)

The CRA is mandated to administer tax, benefit, and other programs on behalf of the Government of Canada and provincial, territorial, and certain First Nations governments. At the CRA, their diverse workforce and inclusive workplace fosters innovation and drives them to be a world-class tax and benefit administration that puts people first. Working alongside close to 60,000 colleagues across Canada means joining a vibrant community. As Canada's tax program administrators, the meaningful work that they do touches the lives of all Canadians.

[Canadian Armed Forces](#)

The Canadian Armed Forces perform many other important functions such as search and rescue, patrolling our air space and territorial waters, supporting anti-drug operations and helping out in the aftermath of natural disasters. A career in the Canadian Armed Forces is more than a way to make a living. It's a passport to a whole-life experience that will change you and allow you to change the lives of others. Join an organization that offers more than 100 different trades and professions. Obtain world-class qualifications and earn a competitive salary and benefits. In the Forces, you enjoy the stability of a steady career and the excitement of a job that offers travel, adventure, camaraderie, and the satisfaction of making a difference.

[Canadian Bank Note Company](#)

Canadian Bank Note dates back to 1897, when it started out as Canada's trusted security printer. Today, they apply the highest standards to the design, development and integration of secure, leading-edge technology for governments and businesses across the globe. Together, they have deployed complex solutions that secure borders, empower citizens, protect national currencies and generate revenue for government social initiatives. In addition, they take care of their employees and

Carleton University Fall Career & Networking Fair: Employer Cheat Sheet

their families with physical and mental health benefits. CBN provides you with the tools you need to plan for a prosperous tomorrow.

[Canadian Medical Protective Agency \(CMPA\)](#)

As an integral part of the multifaceted Canadian healthcare system, they support physicians, patients, and the healthcare system in numerous ways. The CMPA assists physicians with medico-legal issues, enhances patient safety, and compensates patients harmed by negligent care (fault in Québec). The CMPA values and invests in its people. They are dedicated to nurturing a culture that is diverse, inclusive, supportive, and encourages continual learning. Working at CMPA means learning and growing every day. There are continuous learning opportunities for each position and a number of special projects that allow you to contribute your expertise and develop your skills.

[Canadian Security Intelligence Service \(CSIS\)](#)

CSIS is at the forefront of Canada's national security system. Its role is to investigate activities suspected of threatening the security of Canada and report them to the Government of Canada. CSIS may also take measures to reduce threats in accordance with legal requirements and Ministerial Direction. Working at CSIS is more than just a job. Employees are among the most talented people in the country, committed to Canada's values, energized by meaningful work, and driven to expand their skills and potential. CSIS seeks motivated individuals who want to make a difference and be part of something meaningful.

[Carleton University, Human Resources](#)

Welcome to a community of talented, committed, and enthusiastic faculty and staff! They are dedicated to excellence and to supporting the education and research that distinguishes Carleton as Canada's Capital University. Carleton University has been named one of Canada's top 100 employers for 2024 – a major honour awarded to only 25 institutions in the area. Carleton University is strongly committed to fostering diversity within its community as a source of excellence, cultural enrichment, and social strength. They welcome those who would contribute to the further diversification of our university including, but not limited to: women; visible minorities; First Nations, Inuit and Métis peoples; persons with disabilities; and persons of any sexual orientation or gender identity and expressions.

[Central Overseas Education Services Ltd](#)

Central Overseas Education Services, established in 1994, certifies teachers of English to speakers of other languages and has over 70,000 graduates. As a licensed TESOL provider registered with the Government of Canada, it offers training in countries worldwide. Their 120-hour Advanced TESOL Certification is the most popular program, helping graduates secure teaching jobs globally. The institution's goal is to train and certify English speakers to pursue their teaching careers.

Carleton University Fall Career & Networking Fair: Employer Cheat Sheet

[Ciena](#)

Ciena is a global leader in optical and routing systems, services, and automation software. They build the world's most adaptive networks to address ever-increasing digital demands for richer, more connected experiences for all users. For three-plus decades, they've brought their innate sense of humanity to their relentless pursuit of innovation. At Ciena, Their Success is Rooted in People. They are committed to providing competitive reward programs in recognition for all the work their people do. Their goal is to be able to drive alignment between rewards, personal, and company performance.

[Cisco Systems Inc.](#)

Cisco Systems, Inc. is the worldwide leader in networking for the Internet. Today, networks are an essential part of business, education, government, and home communications. Cisco hardware, software, and service offerings are used to create the Internet solutions that make these networks possible, giving individuals, companies, and countries easy access to information anywhere, at any time. In addition, Cisco has pioneered the use of the Internet in its own business practice and offers consulting services based on its experience to help other organizations around the world. Cisco is also the number one place to work for in over twenty countries worldwide! "Cisconians" have a lot to be proud of. Their incredible people, conscious culture, and commitment to powering an inclusive future for all makes Cisco a great place to work year after year.

[Communications Security Establishment \(CSE\)](#)

Communications Security Establishment Canada (CSE) is the national cryptologic agency, providing the Government of Canada with information technology security and foreign signals intelligence. CSE hires Canadians with a wide range of skills, experiences, and perspectives because diversity makes them stronger. They offer exciting career opportunities for both professionals and students. They are team-players, pathfinders, and problem-solvers, all different, all united by a common mission: protecting Canada and Canadians.

[Competition Bureau Canada](#)

The Competition Bureau is an independent law enforcement agency that protects and promotes competition for the benefit of Canadian consumers and businesses. Competition drives lower prices and innovation while fueling economic growth. Join them to help protect and promote competition across Canada, and to improve economic outcomes for all Canadians. You can play a key part in helping consumers and businesses thrive in the rapidly evolving digital economy. They work in a broad range of fields, including law enforcement, compliance, advocacy, and policy.

[Construction Demathieu & Bard](#)

Demathieu Bard Group was founded in 1861 and is now a global construction conglomerate. Building on the expertise developed over two centuries, Demathieu Bard is well known for innovation and

Carleton University Fall Career & Networking Fair: Employer Cheat Sheet

complex construction methodologies designed and implemented by its very own in-house engineers. Present in Canada since 1997 under the name Construction Demathieu & Bard (CDB) Inc., the company has amassed a large pool of resources that can be drawn upon for rapid mobilization from several offices in Ontario, Quebec and Washington, DC. Importantly, they are committed to preserving a family-like work environment while producing large-business results. This is why they maintain close working relationships and respect everyone equally.

[Crowe MacKay LLP](#)

Their primary objective at Crowe MacKay LLP is to provide a wide range of accounting, auditing, income tax planning and compliance, and consulting services to growing enterprises. Through related companies, the partnership also provides specialized management consulting services, forensic auditing, financial management, financial restructuring, and insolvency services. They provide high quality professional services to clients in a variety of industries and sectors such as mining, oil and gas, auto dealerships, aviation, public companies, privately held businesses, not-for-profit organizations, government organizations and municipalities, and all forms of First Nation, Métis, and Inuit organizations and enterprises. They are successful because of their teams' knowledge and passion. Investing in your growth and development is just one of the core values that differentiates Crowe MacKay. They believe that when they care for each other and share their success, they maximize their growth.

[Dave Smith Youth Treatment Centre](#)

The Dave Smith Youth Treatment Centre is a non-profit, residential and community-based agency dedicated to helping youth, between the ages of 13-21, overcome substance abuse issues and other related challenges in order to achieve a healthier lifestyle. With separate evidence-based programs tailored to the specific needs of young men and women, it is the only centre of its kind in Eastern Ontario. The Dave Smith Youth Treatment Centre prides itself on providing a safe, challenging and rewarding work environment.

[Department of Justice Canada](#)

The Department of Justice has the mandate to support the dual roles of the Minister of Justice and the Attorney General of Canada. The Department of Justice Canada works to ensure a fair, accessible, and efficient system of justice for all Canadians. Led by the Minister of Justice, who is also the Attorney General of Canada, the Department of Justice strives to promote respect for rights and freedoms, the law and the Constitution. Roughly half of the Department's staff are lawyers; the other half includes experts in fields such as research, the social sciences, and communication, as well as paralegals and support staff. No matter what your expertise, you will benefit from Justice Canada's supportive atmosphere, its emphasis on training and mentoring, and the ability to balance the personal and professional aspects of your life.

Carleton University Fall Career & Networking Fair: Employer Cheat Sheet
