Founded in 1960, the Youth Services Bureau of Ottawa is one of the largest and most comprehensive non-profit agencies serving youth in this community. More than 350 caring professionals work from 20 locations across the city to deliver a vast range of programs and services that support at-risk youth and their families. At YSB, you have the opportunity to play a meaningful role in creating lasting, positive change in young people's lives, as well in the lives of their families and communities. You'd invest your time and energy in a values-based organization, working alongside other committed and caring people who want to make a difference. Programs include work or placements in employment, mental health, community and housing, and youth justice.
