Recommended Textbook:

Course Evaluation
Assignments: 4 Assignments x 8.75% each = 35%
Final Examination: 65% (to be held according to the University policy)

Course Topics
1. Introduction to Engineering Economic Analysis.
5. Replacement Analysis: Replacement studies. Replacement due to deterioration, obsolescence or inadequacy. Cyclic replacements.
9. Project Management: project management lifecycle, project management tools, Gantt charts, critical path method.

Course Rules
- The course runs a synchronous and asynchronous sections. The lectures are pre-recorded and can be viewed any time. The live sessions are mainly for live questions and answers.
- Lectures and course materials, including presentations, outlines, and similar materials, are protected by copyright. You may not and may not allow others to reproduce or distribute lecture notes and course materials publicly without the Instructor’s express written consent.
- Assignments: Assignments should be submitted electronically through CULearn portal. You will need to use either PDF or MSWord document format. Other formats will not be accepted for submission.
• Late assignments will not be accepted. You will need to consider trying to submit your assignment before the deadline to have a chance to mitigate and correct any technical issue with submission.

• Plagiarism is strictly not tolerated. All incidences of plagiarism will be handled by the Dean’s office in accordance with University policy.

University Regulations:
The student must follow all regulations by the University related to this course. The student is responsible to review and follow the regulations.

Course-related University Rules and Services:
[1] Accommodations: You may need special arrangements to meet your academic obligations during the term. For an accommodation request the processes are as follows: Pregnancy obligation: write to me with any requests for academic accommodation during the first two weeks of class, or as soon as possible after the need for accommodation is known to exist. For more details visit the Equity Services website: http://www.carleton.ca/equity/

[2] Religious obligation: write to me with any requests for academic accommodation during the first two weeks of class, or as soon as possible after the need for accommodation is known to exist. For more details visit the Equity Services website: http://www.carleton.ca/equity/

[3] Academic Accommodations for Students with Disabilities: The Paul Menton Centre for Students with Disabilities (PMC) provides services to students with Learning Disabilities (LD), psychiatric/mental health disabilities, Attention Deficit Hyperactivity Disorder (ADHD), Autism Spectrum Disorders (ASD), chronic medical conditions, and impairments in mobility, hearing, and vision. If you have a disability requiring academic accommodations in this course, please contact PMC at 613-520-6608 or pmc@carleton.ca for a formal evaluation. If you are already registered with the PMC, contact your PMC coordinator to send me your Letter of Accommodation at the beginning of the term, and no later than two weeks before the first in-class scheduled test or exam requiring accommodation (if applicable). After requesting accommodation from PMC, meet with me to ensure accommodation arrangements are made. Please consult the PMC website for the deadline to request accommodations for the formally-scheduled exam (if applicable) at http://www.carleton.ca/PMC/new-and-current-students/dates-and-deadlines/ You can visit the Equity Services website to view the policies and to obtain more detailed information on academic accommodation at http://www.carleton.ca/equity/
