

Canadian Identity

Symbol: something that represents something else

Icon: a generally positive representation of something else

What are some symbols or icons of Canada?

- What do the symbols and iconography that we use to represent Canada say about Canadian values?
- What do they say about what it means to be Canadian?

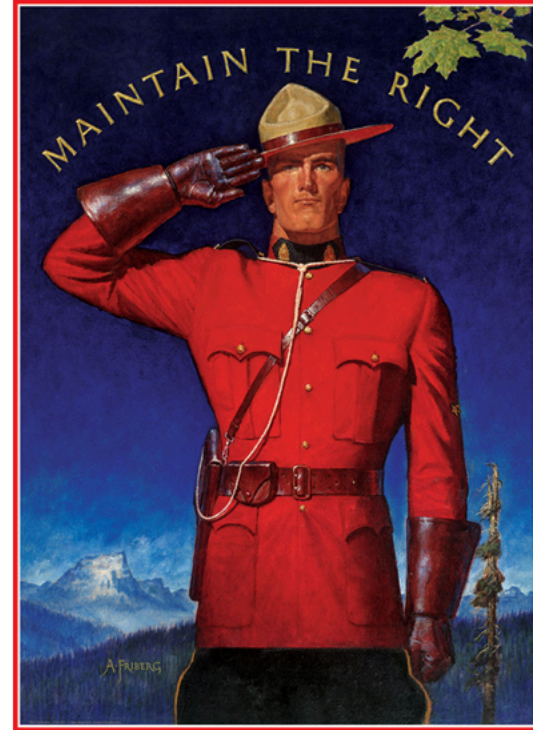

- What symbols or iconography is being used in this image?
- What about Canada is being emphasized here?

- What symbols or iconography is being used in this image?
- What about Canada is being emphasized here?

- What symbols or iconography is being used in this image?
- What about Canada is being emphasized here?

- What symbols or iconography is being used in this image?
- What about Canada is being emphasized here?

- What do you think that the text means?
- Why do you think that the author chose *this* image to pair with this text?
- Why choose an image that looks vintage, or old fashioned?

- What symbols or representations are being used in this image, and what meaning do you think they are trying to convey?

- This is an image taken from Instagram.
- What do you think that the text means?
- Why do you think that the creator chose to pair these two images?
- What symbols are being used in the bottom image, and what do they stand for?
- If you had to speculate, what do you think that the author believes is the most important difference between the “then” of the top image, and the “now” of the bottom?

- This is another image from Instagram.
- What is this image arguing?
- What word might the term “western countries” be standing in for?
- What word might “multiculturalism” be standing in for?

THE GREAT REPLACEMENT OF EUROPEAN CANADIANS IS NOT A "CONSPIRACY THEORY". IT IS AN UNDENIABLE FACT SUPPORTED BY STATISTICS THAT ARE PROVIDED BY THE GOVERNMENT OF CANADA:

1867:	98%
1971:	96%
Today:	72%
2036 Projection:	~50%
2100 Projection:	~20%

Statistics Canada • Canada's Diversity, PhD - Canada in Diversity (2017) • Eric Kaufmann, PhD - WhiteShift (2019)
https://www.blog.eric Kaufmann.com/national-the-changing-face-of-canada-towards-minority-population-by-2036-and-2100

REPLACEMENT AND DIFFUSION

1980 CANADA WAS 96% EUROPEAN

1991 CANADA WAS 89% EUROPEAN

2006 CANADA WAS 84% EUROPEAN

2016 CANADA WAS 78% EUROPEAN

2021 CANADA WILL BE 75% EUROPEAN

2036 CANADA WILL BE 66% EUROPEAN

(THESE TRENDS ONLY RELY ON THE IMMIGRATION RATE AND DO NOT CONSIDER FACTORS LIKE BIRTH RATE WHICH COULD HAVE AN EQUAL OR GREATER EFFECT ON THE DEMOGRAPHIC POPULATION)

3/5

What word might “European” be standing in for?

- In the phrase “make Canada great again,” what does the “again” indicate?
- If the phrase is making an **appeal to history**, making a reference to a time period in the past . . .
- . . . what time period do you think it is . . .
- . . . and what was so great about it?
