Freedom of movement of people and knowledge is at the heart of Europe's 2020 Strategy to break down barriers and promote international exchanges. This presentation focuses on the European Commission's programmes in this field, including Erasmus Mundus, Tempus, and a number of other regional academic cooperation programmes relevant to Canada.

The event is sponsored by the Centre for European Studies (EU Centre of Excellence), in cooperation with the Institute of European, Russian, and Eurasian Studies. It is supported, in part, by a grant from the European Commission.
