Date: Wednesday December 5th, 6-8pm

Location: EURUS Boardroom, 3302 Richcraft Hall

The European Union Study Tour and Internship Program (EUST&IP) is an initiative of the European Studies Network (Canada), a consortium of Canadian universities of which Carleton is a member. The Tour consists of 21 days (May 12 – June 1, 2019) in Europe, involving meetings and consultations at a wide range of European institutions in Brussels, Strasbourg, Luxembourg, and Frankfurt. Students participating in the Tour may also apply to participate in an internship (2 months or more) in a European institution.

Eligibility: Permission of the Institute is required for registration. This will be assessed on the basis of your application.

The following guidelines may be helpful:

- **Graduate students** from any Carleton program are eligible to apply; graduate students should have course background on the EU or contemporary European studies.
- **Undergraduate students** who have third or fourth year standing by the beginning of the summer 2018 term are eligible to apply (i.e. current second-year students and above). Specific coursework recommended for eligibility would be EURR 2001 and EURR 2002, or PSCI 3207.
