Minor in Chemistry Requirements

1.0 credits from CHEM 1001 & CHEM 1002

PLUS

3.0 credits in Chemistry at the 2000-level or higher

The remaining requirements of the major discipline(s) and degree must be satisfied

Note: Not all Chemistry course options are listed in this chart. Please visit the Undergraduate Calendar for more options. Please

note that several upper year chemistry courses have prerequisites that must be fulfilled.

NOTE:

- This is a snapshot of the Undergraduate Calendar. Information can change. Always consult your audit and seek advising if you are off track.
- Some courses are offered in the summer term. Please check Carleton Central for availability.
