

**MA in Religion and Public Life**

**M.A. Research Essay Approval Form**

**Deadline for submission:** The second week of November, due on the day that RELI 5801 meets, to be handed in in class. (i.e. if the class is offered on a Monday, the 2nd Monday of November of each year)

The MRE is a substantial piece of academic work that should, much like a thesis, be available to a wider academic public. Unless you expressly withhold your consent to make the MRE available (in writing, addressed to the Graduate Coordinator), you agree that the department should make your MRE available upon request, following final deposit and graduation
