INTERNATIONAL MOU FORM

Office of the
Associate Vice-President
(Research and International)

Carleton University

Include research and academic strengths, reputation, and any other relevant information

D Description of the institutional Partner

Provide a rationale for the development of the MOU

E Intended Areas of Cooperation

- What activities are being proposed?
- Which academic units or disciplines will this involve?
- Are there potential growth areas for the future?
- Are there any Carleton resource commitments?

Describe the likelihood of success and potential challenges

F Provide reasons why this initiative will be a successful and mutually beneficial partnership

- How will this MOU benefit Carleton and the partner?
- What are the long-term goals of the partner?
- Have any barriers to collaboration been identified?
- If so, how will these be overcome?
