Improving Results - Améliorer Les Résultats

By Governance Village
Oct30, 2008

Welcome to the Governance Village and Parliamentary Centre e-Dialogue! Participants are encouraged to post in English or French; occasional summaries are provided in both languages. Bienvenue au e-Dialogue du « Governance Village » et le Centre parlementaire! Les participants sont invités à afficher leurs commentaires en anglais ou en français; des sommaires occasionnels seront fournis dans les deux langues.

Welcome from Amelita Armit, President and CEO of the Parliamentary Centre
Managing for results is one of the key themes of the Paris Declaration on Aid Effectiveness. Donors and developing countries want to know that aid, including that for democracy support and assistance projects, is being used effectively and they want to be able to measure results. The aim is to be able to identify approaches that produce concrete results and sustain those that work, and learn from those that don't.

Measuring [...]
