

Announcement of the Social Enterprise Advisory Board

The Common Approach to Impact Measurement is delighted that these seven great social enterprises have joined our Social Enterprise Advisory Board. They will get an early look at all the Common Approach deliverables to help make sure that everything we produce makes life better and easier for Ontario social enterprises. More than a document, a common approach is a community. The Social Enterprise Advisory Board is being chaired and convened by Michael Murr, Executive Director, Centre for Social Enterprise Development. We are so glad that these organizations have joined our community. To find out more about each enterprise, simply click on their logo!
