Plenary Lecture and Symposium Support

Plenary Lecture Support (\$5,000 each): This level of sponsorship will support one of the two COSC 2020 plenary speakers to travel and deliver a presentation in one of the plenary sessions. Your organization's sponsorship and logos/advertisements will be clearly highlighted at the session and will be prominently displayed on the keynote-lecture slide and in sponsors' pages in the program.

Symposium Support (\$5,000): This level of sponsorship will support a COSC 2020 symposium during the conference. Your organization's sponsorship and logo will be clearly highlighted during the symposium, and in the symposium and sponsors' pages in the program.

Your organization's sponsorship will be clearly highlighted at that session, and your logo will be added to the relevant section(s) in the program. You may identify your speaker of choice.

Support for plenary lectures, symposia and invited speakers presents **exclusive sponsorship opportunities**. These include recognition on the COSC 2020 conference website, acknowledgement in all conference materials including the program; acknowledgement on signage displayed during the conference plus verbal acknowledgements and recognitions.
