Academic Term	Course Code	Course Title	Course Description	Course Credit Value	Anticipated Modality	Anticipated Course Enrolment	Anticipated TA Support	Required qualifications	Teaching Competence
Fall 2026	CRCJ 1000D	Introduction to Criminology and Criminal Justice	Overview of the field, including the foundational approaches of criminology and criminal justice, crime as an object of study; criminal law and criminality in Canada; (neo) classical, aetiological and social reaction perspectives; alternative criminologies. Lectures three hours a week. (no tutorials)	0.5 credit	Online	450	10 @ 130hrs	Candidates should hold a MA in Criminology or in a related field. A strong preference will be given to candidates currently completing a PhD or who have completed a PhD in Criminology or a related field and who have a record of publications in criminology-related peer-reviewed journals.	Candidates are expected to have experience teaching at the university level in a related area. Candidates who provide evidence of success in teaching upper-year level seminar courses will be strongly preferred. Exceptionally, qualified candidates with no experience teaching at the university level in a related area may be considered.

Note to Applicants: As per Articles 16.3 and 16.4 of the CUPE 4600 (Unit 2) Collective Agreement, the posted vacancy listed above is first offered to applicants who meet the incumbency criterion. The current CUPE 4600 (Unit 2) Collective Agreement can be found on Carleton University's Academic Staff Agreements webpage.

All courses are subject to final budgetary approval.

Contract Instructor Salaries for Fall 2026 and Winter 2027 courses:
