

# OTTAWA AS A RESTORATIVE CITY: WHAT COULD THAT LOOK LIKE?

## Community Dinner and Discussion!

In 2019 all major cities in Ontario were tasked with developing Community Safety and Well-Being Plans over the course of the next two years. Our goal, along with help from our guest speakers is to transform the way Ottawa responds to conflict into an approach that is both compassionate and restorative in nature so that every person who resides in our community can live happy, healthy lives.

The Ottawa Restorative Justice Network and Restorative Ottawa Community Collective invite you to participate in this discussion while eating a delicious meal. There will be amazing raffle prizes and the opportunity to network with passionate like-minded people!
