The Centre for Student Academic Support (CSAS) Learning Support Workshops are designed to improve learning both inside and outside of the classroom. In order to support the academic success of students, Instructors are welcome to request a wide variety of CSAS presentations to be facilitated within the classroom.

Presentations are typically 50 – 60 minutes in length, and include information and activities to teach tangible strategies for improving study habits. Examples of possible presentation topics requests are:

- Academic Reading
- Balancing Work, School, and Life
- Campus Connections
- Classroom Expectations
- Effective Presentations
- Learning Preferences
- Managing Procrastination
- Study Smarter
- Memory and Concentration
- Note-Taking
- Self-Care Strategies
- Test & Exam Preparation
- Time Management
- Working in Groups

To read descriptions for any of the above workshop topics, please visit the Learning Support Workshop page of our website. With advance notice, CSAS can also work with you to create a more customized workshop for your course. Simply contact CSAS to discuss your specific needs, and how we might be able to provide the best support.

To register your course for an In Class Presentation, please fill out the Faculty Request form on our website. For more information, please contact Sarah.Kehoe@carleton.ca.
