

2026 Academic Orientation Day

Tuesday, September 8, 2026

Faculty of Engineering & Design

Start Time	End Time	Event	Building	Room
9:00a.m.	9:45a.m.	Drop in Meet & Greet for: Mechanical, Aerospace, Biomedical and Mechanical, Sustainable and Renewable Energy Stream B	Mackenzie Building (ME)	EDC Lobby (located off of Library Road)
9:00a.m.	9:45a.m.	Presentation for: Civil, Environmental, Architectural Conservation and Sustainability Engineering	Minto CASE (MC)	2000
10:00a.m.	10:45a.m.	Presentation for: Mechanical, Aerospace, Biomedical and Mechanical, Sustainable and Renewable Energy Stream B	Minto CASE (MC)	2000
10:00a.m.	10:45a.m.	Drop in Meet & Greet for: Civil, Environmental, Architectural Conservation and Sustainability Engineering	Mackenzie Building (ME)	EDC Lobby (located off of Library Road)
10:00a.m.	10:45a.m.	Presentation for: Information Resource Management, Interactive Multimedia and Design, Network Technology	Azrieli Pavilion (AP)	134
11:00a.m.	11:45a.m.	Drop in Meet & Greet for: Architecture (Design, Urbanism and Conservation and Sustainability), Industrial Design, Information Resource Management, Interactive Multimedia and Design, Network Technology	Mackenzie Building (ME)	EDC Lobby (located off of Library Road)

Faculty of Engineering & Design

Start Time	End Time	Event	Building	Room
11:00a.m.	11:45a.m.	Presentation for: Software, Computer Systems, Biomedical and Electrical, Communications	Minto CASE (MC)	2000
11:00a.m.	11:45a.m.	Presentation for: Mechatronics	Minto CASE (MC)	5050
12:00p.m.	1:30p.m.	Presentation for: Architecture (Design, Urbanism and Conservation and Sustainability)	Architecture Building (AA)	204 (The Pit)
12:00p.m.	12:45p.m.	Presentation for: Industrial Design	Mackenzie Building (ME)	3380
12:00p.m.	12:45p.m.	Drop in Meet & Greet for: Software, Computer Systems, Biomedical and Electrical, Communications and Mechatronics	Mackenzie Building (ME)	EDC Lobby (located off of Library Road)
12:00p.m.	12:45p.m.	Presentation for: Electrical, Engineering Physics and Sustainable and Renewable Energy Stream A	Minto CASE (MC)	2000
1:00p.m.	1:45p.m.	Drop in Meet & Greet for: Electrical, Engineering Physics and Sustainable and Renewable Energy Stream A	Mackenzie Building (ME)	EDC Lobby (located off of Library Road)
