

Annual Report for Cultural Mediations Doctoral Students

This document is intended to enhance communication among students, their committee members and the program regarding the student's progress through the degree and any challenges the student may be encountering.

Please complete this form by April 1st and send it electronically to your supervisor and committee members (supervisor only if you are in year 1). The supervisory committee is asked to meet with the student during the month of April (by Skype if necessary) to discuss the report and sign the form. Once the meeting has taken place and the committee members' signatures have been obtained, please email the form to the ICSLAC Administrator by April 30th.
