Always ask: Seniors discounts are not always openly advertised. It is recommended that you ask about whether or not the store offers the discount every time you make a purchase.

Be prepared: Always have your government-issued identification on you to prove your senior status.

We wanted to make it easier for you to determine your eligibility. That is why this Canadian Seniors Discount Guide is organized by the following age categories: age not specified, 50 and older, 55 and older, 60 and older, 62 and older, and 65 and older.
