

Micro-credentials

Units that are interested in offering micro-credentials are directed to reach out to the [Vice-Provost](#) who will share the details on the process and assist with the required Ministry template that must be completed for the proposal.

Micro-credential proposals require the following approvals which are currently not incorporated into the CourseLeaf system. Once Faculty Board approval is obtained, the proposal should be sent to Natalie Phelan, Calendar Editor (Natalie.Phelan@carleton.ca) to facilitate SCCASP approval.

- 1) Curriculum Committee
- 2) Faculty Board
- 3) SCCASP
- 4) Senate for information
