EDUCATION

2019–present **Master’s of Science (MSc) candidate**

Carleton University, Department of Health Sciences

Thesis title: Evaluating Partnerships within Rural Ontario Early Psychosis Program Networks: A Social Network Analysis

2015–19 **Bachelor of Health Sciences (BHSc, Honours with Distinction)**

Concentration: Chronic Illness and Disability

Carleton University, Department of Health Sciences

Thesis title: Evaluation of Requirement and Retention Initiatives of Rural Physicians in Canada and Australia

RESEARCH EXPERIENCE

2019–present **Graduate Research Assistant**

Carleton University, Department of Health Sciences

Spatial Determinants of Health Lab

- Collated knowledge outputs in the form of reports and infographics; integrated and coordinated new knowledge outputs as they were completed; published knowledge outputs onto lab website using WordPress
- Conducted structured scoping review on recruitment and retention initiatives of rural mental health professions in Canada and Australia

2017–present **Research Assistant**

Free Range International Knowledge Partnership

Carleton University; Umea University, Sweden & Flinders University, South Australia

(collaborative)

- Conducted a critical review of literature and annotated bibliography using DistillerSR and Zotero for research proposal on comparative international rural health initiatives
- Conducted fieldwork in rural communities in Storuman, Sweden; Burra, South Australia; Akureyri, Iceland, and Golden Lake, Ontario

2016–17 **Research Volunteer**

Children’s Hospital of Eastern Ontario Research Institute (CHEO RI)

Self-Harm and Resilience in Adolescents (SARA) Study

- Trained in screening and diagnostic testing instruments for children and adolescent neuropsychiatric disorders - The Mini-International Neuropsychiatric Interview for Children and Adolescents; performed neuropsychiatric interviews for children and adolescents to assess participants eligibility in study
- Performed psychobiological laboratory procedures - Trier Social Stress Test (TSST)

2015–16

Undergraduate Research Assistant

Landon Pearson Centre for the Study of Childhood and Children's Rights
Carleton University, Department of Sociology

- Translated policy literature on children's rights into review guides for undergraduate students
- Analyzed course feedback; implemented appropriate changes to online eCarleton module system

Undergraduate Research Intern

Connor Lab
Carleton University, Department of Health Sciences

- Systematically planned and executed experiments; collected and tracked clinical and experimental data to determine participants eligibility in research project
- Conducted a critical review of the literature on maternal and fetal health to be used for a research proposal on the effects of early life dietary interventions on the intestinal, brain and microbial development of preterm infants

TEACHING EXPERIENCE2019–present **Graduate Teaching Assistant**

Carleton University, Department of Health Sciences

- Planned and facilitated introductory workshops on the fundamentals of health including the biomedical, psychosocial and epidemiological approaches used in the field; covered topics related to policy and understanding cultural/environmental contexts of health for 60 students
- Held weekly office hours; prepared supplementary notes; graded assignments and exams, and proctored midterm and final exams for a class of 200 students

ADMINISTRATIVE EXPERIENCE2016–present **Awards and Financial Aid Clerk**

Carleton University Awards and Financial Aid Office

- Reviewed, verified, and assessed applications and supporting documents in accordance with established provincial guidelines to determine financial aid eligibility

- Provided information to students and families regarding awards and financial aid, the application process, eligibility requirements for receiving and maintaining awards and aid, and important dates and deadlines
- Maintained financial aid database, and prepared routine reports

MEMBERSHIP AND ACTIVITIES

- 2016–19 **Vice President of Finances**, Global Medical Brigades Carleton University Chapter
Member, Carleton University Students' Association - East African Society
- 2017–18 **Vice President of Finances**, Undergraduate Health Science Society

RESEARCH CERTIFICATIONS

- 2020 CHIR Institute of Gender and Health Core Competency Module for Sex and Gender in Primary Data Collection with Human Participants
- 2016 Tri-Council Policy Statement: Ethical Conduct of Research Involving Humans Course on Research Ethics
(TCPS 2: CORE)

TECHNICAL SKILLS

Bibliographic databases (EndNote, Zotero, Mendeley), literature and systematic review database (DistillerSR), scholarly databases (PubMed, Google Scholar, Web of Science, Scopus, PsycINFO), and data analysis software (STATA and R).

AWARDS AND DISTINCTIONS

- 2019–21 Department of Health Sciences Graduate Scholarship
Master's level
- 2018–19 Board of Governors Award for Outstanding Community Achievement - Nominee
Carleton University
- Deans' Honour List
Carleton University
- Undergraduate Thesis Poster Winner, Department of Health Science (Competitive, 3rd place)
Carleton University
- 2017–18 Service Excellence Award - Nominee
Awards and Financial Aid Office, Carleton University
- 2016–17 Deans' Honour List
Carleton University
- Dean's Summer Research Internship (Competitive)
Undergraduate Award
- Carleton Academic Scholarship
Undergraduate Award
- 2015–16 Bachelor of Health Sciences Scholarship (Top-Up Award)
Undergraduate Award
- Carleton Academic Scholarship
Undergraduate Award
- Global Community Alliance Youth Achievement Award (Competitive)
