Strategic Focus

Carleton University will leverage the power of higher education to be a force for good

▶ **Serve Ottawa,
Serve the World**

We will embed community engagement and partnership in our actions and culture.

▶ **Share Knowledge,
Shape the Future**

We will pursue, mobilize and share knowledge in a reciprocal and responsible way.

▶ **Strive for Wellness,
Strive for Sustainability**

We will work to enhance the wellness of our people and our communities, and to play a leadership role in the wellness of our country and planet.

A young woman with dark hair in a ponytail, wearing a white lab coat, is smiling and looking towards the left. She is sitting at a desk with two computer monitors. The background shows a laboratory environment with various equipment and shelves. The text "RESEARCH WITH IMPACT" is overlaid on the left side of the image.
