SUBJECT: Passing of Professor Huntley Schaller

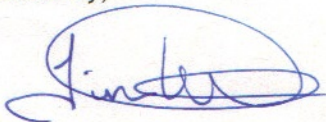

Dear Professor Armstrong:

On behalf of the Research Grants and Partnerships division, I would like to first and foremost offer my condolences on the passing of Professor Huntley Schaller.

As you may be aware of, Professor Schaller had a long-standing relationship with SSHRC receiving grants through our competitive process throughout the years. He most recently submitted an application for the 2015 Insight Grants competition entitled: "Liquidity, leverage, and the rise of corporate cash hoards." During the adjudication meeting, held from March 2<sup>nd</sup> to 5<sup>th</sup> at SSHRC, the Economics committee uniformly expressed their regret that this application was no longer eligible given its position as a commendable contender amongst the other submitted applications.

I hope this letter serves as one of the many testimonies to your department and Professor Schaller's family of the tremendous impact Professor Schaller had in the field of Economics and the potentially innovative research he had planned.

Sincerely,

Tim Wilson, PhD  
Executive Director
