PREREQUISITES
ECON 2020 with a grade of C- or higher, or ECON 2009 with a grade of C+ or higher, and ECON 1402 (or equivalent) with a grade of C- or higher. Students who believe they have taken a similar background course or courses from another university must provide appropriate documentation to the Department of Economics Undergraduate Administrator, Amanda Wright.

A grade of C+ or higher is required to qualify for ECON 4020 and ECON 4890. DEF(ferred final grade) status at the end of this course precludes (continued) registration in any other course for which the former is a prerequisite.

OBJECTIVES
This course provides an analysis of theory of consumer choice and demand, and applies them to situations of intertemporal choice and labour supply. It also deals with welfare analysis and general equilibrium theory. All readings are from the required textbook.

REQUIRED TEXTBOOK

Chapters to be covered: 2–5; 9–10, 16-19.

DEFERRAL

No makeup for the term-work will be offered. Students who can document a compelling reason for missing a mid-term examination will be excused and their final grade will be based on their performance in the remaining evaluation; for example, if you miss a midterm and received 80% in the rest of the evaluation, then your missed midterm grade will be 20*0.8=16. The same principle will be applied in case you miss more than one evaluations.

SATISFACTORY PERFORMANCE CRITERIA

Students must fulfil all of the preceding course requirements in order to achieve a passing grade (D- or higher). Failure to submit the assignment or failure to write one or both mid-term examinations (without a documented compelling reason) will result in a grade of FND (“Failure with No Deferred final examination allowed”). Failure to write the final examination when the student has achieved satisfactory performance during the term will result in a grade of ABS (“Absent from a required final examination”). See Academic Regulation 2.3 for the official meanings of these grades, and note that it stipulates that no course grades are final until approved by the Faculty Dean. Note also that course grades may be scaled upwards or downwards in a rank-preserving manner to better fit the relevant departmental distributional norm. Application to write a deferred final examination must be made at the Registrar’s Office.

PLAGIARISM

Please be aware that plagiarism is a serious offence at Carleton and should be recognized and avoided. For information on how to do so, please see “Pammett on Plagiarism and Paraphrasing” at www.carleton.ca/economics/courses/writing-preliminaries/.

ACADEMIC ACCOMMODATION REQUESTS

Students with disabilities needing academic accommodations are required to contact a coordinator at the Paul Menton Centre to complete the necessary letters of accommodation. The student must then make an appointment to discuss their needs with the instructor at least two weeks prior to the first class test or ITV test. Please note the following deadline for submitting completed forms to the PMC for formally scheduled exam accommodations: July 24, 2017.

For religious as well as special needs such as pregnancy, students should consult with the instructor and equity services (ext. 5622 or www.carleton.ca/equity).
