

**NOTE:** This is a guide for students who have transferred from other programs who are now admitted in the B. ECON Program (Honours or General 15.0 credit) with previous credits in MATH courses. **Students already in the B. ECON program are expected to take the sequence of ECON 1401 and ECON 1402 (Elementary Mathematics in Economics I and II) typically completed in their first year in the program.**

COMBINATION OF MATH COURSES WE ACCEPT TO EARN CREDIT FOR ECON 1401 and ECON 1402			
COMBINATION # 1			
MATH 1007	AND any of these courses 	MATH 1107	
		MATH 1104	
		MATH 1152	
		MATH 1102 <i>(no longer offered)</i>	
COMBINATION # 2			
MATH 1004	AND any of these courses 	MATH 1107	
		MATH 1104	
		MATH 1152	
		MATH 1102 <i>(no longer offered)</i>	
COMBINATION # 3			
MATH 1052*	AND any of these courses 	MATH 1107	
		MATH 1104	
		MATH 1152	
		MATH 1102 <i>(no longer offered)</i>	

COMBINATION # 4		
<b>MATH 1002</b> <i>(no longer offered)</i>	AND any of these courses 	MATH 1107
		MATH 1104
		MATH 1152
		MATH 1102 <i>(no longer offered)</i>
<p><b>NOTE:</b> We do <b>NOT</b> accept combinations of ECON 1401 and ECON 1402 with any of the listed MATH courses above. For example, ECON 1401 cannot be taken with MATH 1107.</p> <p><b>MATH 1052</b> is a required course in the Mathematics &amp; Quantitative Economics Concentration.</p>		
COMBINATION # 5		
<b>BIT 1000</b>	AND any of these courses 	BIT 1001
		BIT 1101
		BIT 1200
COMBINATION # 6		
<b>BIT 1100</b>	AND any of these courses 	BIT 1001
		BIT 1101
		BIT 1200
COMBINATION # 7		

BIT 1200	AND any of these courses 	BIT 1001
		BIT 1101
		BIT 1200
