Carleton University
Joint Health and Safety Committee and Union Leadership
COVID-19 Update Meeting #21 – March 10, 2021
Microsoft Teams, 10:00 am

The JHSC Management co-chair Tony Lackey, chaired the meeting.
Given the special nature of the meeting, quorum was not required (although it was attained)

Information#1. Tony provided an update related to new COVID restrictions and protocols.

The community has been placed into the Orange designation which has eased some of the restrictions. This has allowed the University to open Athletics and the Library with some restrictions. The university is allowing very limited photo shoots to take place on campus, however there are no physical events are being allowed on campus at this time. The University is in discussion with Ottawa Public Health regarding an on-campus vaccination clinic.

Any decisions made going forward regarding returning to campus will be always in the best interest of all of the community and that we are in compliance with all public health guidelines.

2. Nancy provided further updates related to COVID-19.

Nancy indicated that she is following up with all of the face-to-face projects to glean what was learned both from the teaching and student perspective. EHS made several visits to the face-to-face pilots to ensure that all of the measures were being followed.

The lessons learned from these pilot projects will be valuable in any return to campus scenarios.

Next meeting(s)

The next meeting will be the formal JHSC meeting, Wednesday, March 31, 2021, at 10:00 AM, Microsoft Teams. The Update meeting of March 24 will be cancelled, unless there are significant changes.
