

Asbestos-containing materials in Carleton University Buildings

Building	Types of Asbestos Building Material Present
Tory	black tar, blue sprayed fireproofing, pipe insul., parging, vermiculite, fire door
MacOdrum Library	pipe insul., firestop, parging, baseboard adhesive, textured finish, light heat shield, brown sprayed fireproofing, white sprayed fireproofing, grey textured finish, brown plaster
Paterson Hall	textured finish, VFT, black tar, ACT, mag-block, pipe insul., brown/black caulking, paper wrap over fiberglass insul., brown sprayed fireproofing, parging
Southam Hall	DWJC, VFT, parging, transite, pipe insul., ACT, black wall adhesive, light heat shield, mag-block
Renfrew House	grey firestop, brown plaster, pipe insul., parging
Lanark House	transite, pipe insul., fire door, grey firestop, parging, brown plaster
University Centre	ACT, VFT, DWJC, pipe insul., beige/brown plaster, grey trowelled cement, parging, light heat shield, black tar
Gymnasium	parging, pipe insul., black tar paper, brown valve insulation, siporex deck (potential), underneath metal jackets on pipes (potential)
Athletic Centre	parging, white paper underneath canvas wrap of pipe insul., transite, ACT, VFT, textured finish
Mackenzie	VFT, DWJC, parging, grey/brown rope caulking, transite
Maintenance	ACT, pipe insul., black caulking, VFT, parging, brown insulation, fire door
Steacie	black tar, pipe insul., parging, VFT, cast iron pipe rope, firestop, plaster, transite, textured coat, baseboard adhesive, window caulking
Herzberg	VFT, parging, white textured firestop, ACT, black tar, brown/tan corrugated cardboard, grey/brown firestop
Russell-Grenville House	smooth white plaster, textured finish, pipe insul., parging, black tar
Loeb	ACT, VFT, black caulking, black tar, brown/red duct sealant, pipe insul., DWJC, grey/brown plaster, grey/brown firestop, mag-block, parging, textured finish, transite, white caulking
Nesbitt	parging cement, cast iron pipe fittings (assumed), fire blanket (assumed)
Robertson Hall	grey firestop, parging, DWJC, transite, black tar, VFT
Glengarry House	ACT, black tar, parging, VFT, VSF, brown firestop caulking, textured finish, light heat shield, transite, mag-block
Residence Commons	textured ceiling finish, parging, black tar, brow/red duct sealant, smooth plaster, VFT, ACT, yellow carpet adhesive, brown ceiling tile adhesive
Dunton Tower	DWJC, black tar paper, parging, brown/grey plaster, VFT, ACT
Architecture	parging
St. Patrick's	white caulking, DWJC, parging, transite
Minto C.A.S.E.	black tar, yellow/brown wall adhesive
Leeds	black tar
Tunnels	parging, pipe insul., brown sprayed fireproofing, mag-block
Bronson Substation	grey mortar joints on siporex panels

Abbreviations: ACT – acoustic ceiling tile; VFT – vinyl floor tile + mastic; DWJC – drywall joint compound; Pipe insul. – pipe insulaton (length &/or elbows); Mag. Block – magnesium block; VSF – vinyl sheet flooring
