Acceptable Complementary Studies Electives
2018/2019 Fall & Winter Terms

Please read this note carefully before reviewing the list:
Many of these courses require upper year standing and course prerequisites, some of which are not eligible themselves as Complementary Studies. Some are reserved primarily for other programs, including Minors. If you do not meet the prerequisite or registration requirements, contact the department offering the course through Carleton Central’s Override Request form to request a seat in the course.

Please note: Registration in CUOL and VOD sections of these courses is not acceptable.
