# ENVIRONMENTAL ENGINEERING

**Course Prerequisites and Year Status Requirements**

The Faculty of Engineering and Design strictly upholds course prerequisites. Course prerequisites are found in the Undergraduate Calendar; course descriptions, and are indicated by arrows* between courses in this program map.

### Year status in Engineering prerequisites

As noted by arrows*, the year status in Engineering prerequisites varies from term to term. The course prerequisites are indicated on the course descriptions. Please review the Undergraduate Calendar course descriptions for details.

### Academic Advising

Obtaining regular academic advising and support for course planning is essential for engineering students who are "off-pattern" from their program map. Contact your advisor or the Civil Engineering and Environment Department for inquiries regarding this program map.
