

Fall 2026 – Winter 2027 Basic Science Elective Options

BIOMEDICAL STUDENTS should **not** refer to this list and should refer to the “[Science Electives for Biomedical Engineering Programs](#)” or contact their [Departmental Advisor](#) for appropriate science electives.

Registering in an online/VOD section of any of these courses is **permitted**.

Enrollment in these courses is subject to departmental approval, as there may be additional requirements that B.Eng. students do not meet. Click the course title for prerequisite information and a course description or visit:
