

# Summer 2025 Basic Science Elective Options

**BIOMEDICAL STUDENTS** should **not** refer to this list and should refer to the "[Science Electives for Biomedical Engineering Programs](#)" or contact their [Departmental Advisor](#) for appropriate science electives.

Registering in an online/VOD section of any of these courses is **permitted**.

Enrollment in these courses is subject to departmental approval, as there may be additional requirements that B.Eng. students do not meet. Click the course title for prerequisite information and a course description or visit: <https://calendar.carleton.ca/undergrad/courses/>.

**Note:** If you are unable to register, you may contact the department offering the course through Carleton Central's [Registration Override Request](#) form to request access.

Course #	Course Name	May-Jun	Jul-Aug
BIOL 1010	<a href="#">Biotechnology and Society</a>		✓
BIOL 1902	<a href="#">Natural History</a>		✓
BIOL 2303	<a href="#">Microbiology</a>	✓	
CHEM 2207	<a href="#">Introduction to Organic Chemistry I</a>	✓	
CHEM 2208	<a href="#">Introduction to Organic Chemistry II</a>		✓
ERTH 2401	<a href="#">Dinosaurs</a>	✓	
NEUR 1202	<a href="#">Neuroscience of Mental Health and Psychiatric Disease</a>	✓
