

ENGL 3903 Intermediate Fiction

Writing Sample Guidelines

Please send me 8-10 double-spaced pages of your best, most polished prose. Please use a twelve-point font with standard margins. Your sample can be fiction, creative nonfiction, or screenwriting. Please contact me if you want to submit writing of other genres. Your sample can be drawn from multiple pieces if needed, just clearly indicate that you are submitting excerpts from larger works or that you are including more than one piece, etc.

Please also include a short bio of about 250 words. Please outline your background in creative writing, what you hope to achieve in this course, and what genre of writing you prefer to read and write.

Please make sure your first and last names and Carleton email address are indicated on your submission.
